Lies, Damned Lies, and History (Chronicles of St. Mary's ...

"Lies, damned lies, and statistics" is a phrase describing the persuasive power of numbers, particularly the use of statistics to bolster weak arguments. It is also sometimes colloquially used to doubt statistics used to prove an opponent's point. The phrase derives from the full sentence, "There are three kinds of lies: lies, damned lies, and statistics."; it was popularized in the United States by Mark Twain and others, who mistakenly attributed it to the British prime minister Benjamin Disraeli.
