The international relations schools of thought known as Realism and Idealism identify specific and similar characteristics of actors in the conceptual development of their theories. While many of these characteristics can be generalized as being synonymous between the two theories, both theories make a separate distinction in what specifically constitutes an actor.

Idealism vs Realism in International Relations Free Essay ...

Realism is one of the dominant schools of thought in international relations theory, theoretically formalising the Realpolitik statesmanship of early modern Europe. Although a highly diverse body of thought, it is unified by the belief that world politics is always and necessarily a field of conflict among actors pursuing power. The theories of realism are contrasted by the cooperative ideals of liberalism. Realists can be divided into three classes based on their view of the essential causes of

Realism (international relations) - Wikipedia

Political realism is dealing with politics as they are in reality, political idealism is dealing with politics as an ideal. In other words, the dichotomy is: politics based on how things are vs. politics based how things should be.

Political Realism Vs. Political Idealism - Fact / Myth

During the twentieth century, political realism and political idealism vied as conceptual rivals for understanding international relations, for analyzing the decision-making of inter-state actors, for qualifying what policies should or should not see the light of day, and for justifying or criticizing the kinds of policies that went forward from each other's camp.

Realism & Idealism | Charles Strohmer

Idealism and Realism are two strongly opposed views of foreign policy. At the core of this opposition is the issue of power and security in politics. Realism establishes a separation between politics and ethics in order to understand and comprehend international events.
