Born into a family reeling from the ruptures of Partition in India, we follow her as she crosses the precarious lines between childhood, teenage discovery, and realizing her adult self. In the process, Paro must confront fear, desire and the darkest parts of herself in the search for meaning and, ultimately, empowerment. Nikita Gill's vivid poetry and beautiful illustrations have captured hearts and imaginations--but in The Girl and the Goddess, she offers us her most personal and deeply felt writing to date: an intimate coming-of-age story told in linked poems that offers a look into the Hindu mythology and rich cultural influences that helped her become the woman she is today.

**Soul Keeping**

**Caring For the Most Important Part of You** *Zondervan*

The soul is NOT "a theological and abstract subject." The soul is the coolest, eeriest, most mysterious, evocative, crucial, sacred, eternal, life-

directing, fragile, indestructible, controversial, expensive dimension of your existence. Jesus said it’s worth more than the world. You'd be an idiot not to prize it above all else. Shouldn't you get pretty clear on exactly what it is? Shouldn't you know what it runs on? Wouldn't it be worth knowing how to care for it? Two things are for sure. One is: you have a soul. The other is: if you don't look after this one you won’t be issued a replacement. Bestselling author John Ortberg writes another classic that will help readers discover their soul and take their relationship with God to the next level.

**The Poisonwood Bible** *Faber & Faber*

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

**Past Imperfect**

**French Intellectuals, 1944-1956** *Univ of California Press*

The uniquely prominent role of French intellectuals in European cultural and political life following World War II is the focus of Tony Judt's newest book. He analyzes this intellectual community's most divisive conflicts: how to respond to the promise and the betrayal of Communism and how to sustain a commitment to radical ideals when confronting the hypocrisy in Stalin's Soviet Union, in the new Eastern European Communist states, and in France itself. Judt shows why this was an all-consuming moral dilemma to a generation of French men and women, how their responses were conditioned by war and occupation, and how post-war political choices have come to sit uneasily on the conscience of later generations of French intellectuals. Judt's analysis extends beyond the writings of fashionable "Existentialist" personalities such as Jean-Paul Sartre, Albert Camus, and Simone de Beauvoir to include a wide intellectual community of Catholic philosophers, non-aligned journalists, literary critics and poets, Communist and non-Communist alike. Judt treats the intellectual dilemmas of the postwar years as an unfinished history. French intellectuals have not fully come to terms with the gnawing sense of what Judt calls the "moral irresponsibility" of those years. The result, he suggests, is a legacy of bad faith and confusion that has damaged France's cultural standing, notably in newly liberated Eastern Europe, and which reflects the nation's larger difficulty in confronting its own ambivalent past.
