Axis Of Convenience Moscow Beijing

" Axis of Convenience provides fascinating and compelling insights into the complicated relationship between Moscow and Beijing, which has often been touted in recent years as a burgeoning alliance of growing concern to traditional centers of power."

Axis of Convenience: Moscow, Beijing, and the New ...

A xis of Convenience cuts through the mythmaking and examines the Sino-

Russian partnership on its own merits. It steers between the overblown interpretation of an anti-Western (particularly, anti-American) alliance and the complacent assumption that past animosities and competing agendas must always divide the two nations.
