Roy Herbert Jarrett: It Works

The Famous Little Red Book That Makes Your Dreams Come True! (Paperback - Deluxe Ed.); 2016 Edition

IT WORKS - "Gloriously succinct... the author - whose initials RHJ stood for Roy Herbert Jarrett, a Chicago salesman and ad man - distills the positive-thinking enterprise into a (deceptively) simple exercise of itemizing your desires in a list. If approached with maturity, Jarrett's exercise amounts to a personal inventory-taking and a meaningful assessment of one's true aims." -- Mitch Horowitz, Time.com IT WORKS - IF YOU KNOW WHAT YOU WANT YOU CAN HAVE IT...With this statement RHJ put a dramatic challenge to readers in 1926. His claim was so sensational, so audacious, so begging of argument that one immediately wants to dismiss it. But for one thing: IT WORKS. RHJ's little pamphlet, It Works, has sold more than 1.5 million copies, and won the dedication of generations of readers who have purchased it by the fistful to hand out to friends. The author's three-step method is simplicity itself: 1) Write down your desires on a list. 2) Read it morning, noon, and night. 3) Tell no one about it. But don't be fooled: Tucked within the folds of this unthinkably simple plan are a set of psychological and metaphysical verities that produce extraordinary results. It Works distills centuries of spiritual striving into one tantalizingly concise program. IT WORKS has found its way into the hearts of readers across the world. This immortal keepsake edition is suited to a lifetime of reading, re-reading, and note-taking.

The Not So Big Life

Making Room for What Really Matters Random House

Have you ever found yourself asking, “Is this all there is to life?” Or wondering if this bigger life you have created is actually a better life? And do you wonder how it all got so out of control? In her groundbreaking bestseller The Not So Big House, architect Sarah Susanka showed us a new way to inhabit our houses by creating homes that were better-not bigger. Now, in The Not So Big Life, Susanka takes her revolutionary philosophy to another dimension by showing us a new way to inhabit our lives. Most of us have lives that are as cluttered with unwanted obligations as our attics are cluttered with things. The bigger-is-better idea that triggered the explosion of McMansions has spilled over to give us McLives. For many of us, our ability to find the time to do what we want to do has come to a grinding halt. Now we barely have time to take a breath before making the next call on our cell phone, while at the same time messaging someone else on our Blackberry. Our schedules are chaotic and overcommitted, leaving us so stressed that we are numb, yet we wonder why we cannot fall asleep at night. In The Not So Big Life, Susanka shows us that it is possible to take our finger off the fast-forward button, and to our surprise we find how effortless and rewarding this change can be. We do not have to lead a monastic life or give up the things we love. In fact, the real joy of leading a not so big life is discovering that the life we love has been there the entire time. Through simple exercises and inspiring stories, Susanka shows us that all we need to do is make small shifts in our day-subtle movements that open our minds as if we were finally opening the windows to let in fresh air. The Not So Big Life reveals that form and function serve not only architectural aims but life goals as well. Just as we can tear down interior walls to reveal space, we can tear down our fears and assumptions to open up new possibilities. The result is that we quickly discover we have all the space and time we need for the things in our lives that really matter. But perhaps the greatest reward is the discovery that small changes can yield enormous results. In her elegant, clear style, Susanka convinces us that less truly is more-much more.

It's Up to You Penguin

Do you have any control over your life? In It's Up to You, Ernest Holmes shows how to move from a life of "no" to a life of "yes." Readers will be able to choose their future, because what we experience tomorrow depends on what we think and do today. "It's up to you," Holmes writes-and then provides a step-by-step

program to achieving all that life has to offer. In *It's Up to You*, Holmes explains why our thoughts have power, and how we can use this power to positively affect our lives. This beloved work is a guidebook of inspiration and motivation—a galvanizing book that has changed countless lives. And now, with this new edition, it is set to change countless more.

Write It Down, Make It Happen

Knowing What You Want - And Getting It! *Simon and Schuster*

Too often, people drift through life with a feeling of frustration, longing to find some adventure or purpose in life, envious of those whose lives seem exciting. In *WRITE IT DOWN, MAKE IT HAPPEN*, Henriette Anne Klauser shows you how to write your own lifescipt. Simply writing down your goals in life is the first step towards achieving them. The 'writing it down' part is not about time management; it is not a 'to-do today' list that will make you feel guilty if you don't get everything done. Rather, writing it down is about clearing your head, identifying what you want and setting your intent. You can 'make it happen' purely by believing in the possibility. In *WRITE IT DOWN, MAKE IT HAPPEN*, there are stories from ordinary people who witnessed miracles large and small unfold in their lives after they performed the basic act of putting their goals on paper.

The Strangest Secret *Sound Wisdom*

The one-and-only original, Earl Nightingale's Strangest Secret endorsed by Nightingale Conant. The Strangest Secret is much more than a wealth-building tool; it is a manifesto for self-actualization and purpose-driven work. In Nightingale's own words: "The only man who succeeds is the man who is progressively realizing a worthy ideal." In this book, Nightingale distills his lifetime of research on human motivation into a simple success formula—the very same one that propelled his own achievement. The Strangest Secret is a practical guide for accelerated prosperity so that you can quickly rise to the top, becoming one of the top 5 percent who succeed in your field. Challenge yourself with Nightingale's thirty-day test for putting this secret success formula into action in your life, and chart your own path to productivity, financial independence, and personal fulfillment. Having grown up during the Great Depression, Earl Nightingale was fascinated by the difference between those who attain high levels of personal, professional, and financial success and those who do not. He devoted his life to searching out a recipe for achievement—a means of predicting success in any area of life. While reading the line in Napoleon Hill's Think and Grow Rich that "we become what we think about," Nightingale experienced a watershed moment of self-discovery that resulted in his becoming financially independent by the young age of thirty-five. Make this book your catalyst to the transformation you seek.

The Power of Decision

A Step-by-Step Program to Overcome Indecision and Live Without Failure Forever *Penguin*

Introducing the first book in a powerful new series, The Tarcher Master Mind Editions: Essential Books of Inspiration, Instruction, and Motivation. What mind can conceive, man can achieve. Our decisions impact every area of our lives. Making better decisions means living a better life. But how can we develop the habit of making great decisions? Every noteworthy achievement the world has ever seen was born with a single thought; and every great man who ever lived has been a man of decision. Raymond Charles Barker's The Power of Decision reveals this principle of success and illustrates the process of choice that all of us must take-and that all of us are capable, this very second, of taking-to change our lives and make our dreams come true. Indecisive people are failure prone, and Dr. Barker examines this basic truth while exploring the decision-making process in the individual, and the role of the subconscious mind in either abetting or thwarting each of our conscious decisions. He provides specific steps to shift the balance of decision-making power in your favor, and he brings to light the constant, ever-present power of will to change a situation- and yourself-for the better. Picking up The Power of Decision is the moment; and reading it is the decision that will change your life forever.

How to Completely Change Your Life in 30 Seconds *Lulu.com*

Here's the secret in 3 steps: 1. Suspend disbelief as you read the following: 2. ""We Become What We Think About."" - Earl Nightingale 3. Then, decide that it's true. Now, the rest of your life, you'll be testing this for yourself. You may be asking questions like these: - Can you actually change what you think about? - Do positive thoughts create a positive personal environment? - By being critical of anything or anyone around

you actually improve conditions? - Is your health affected by negative thinking? You'll find continuing instances of how this is true and how it might not be. You'll be "haunted" by this singular thought, although the results won't make you lose sleep - instead, you'll awake with fresh inspirations from time to time about how to live your life even better than you are now. Because you've just started on a journey which has no definite end. And Earl Nightingale once said: "Start today. You have nothing to lose - but you have your whole life to win."

The Meaning of the Mark

The Miracle Mark of Omar, Adopted as His Guide to Health, Wealth and Happiness : in Three Versions *TarcherPerigee*

Success belongs to those lucky people who are blessed with successful personalities. With these outstanding human beings, success is a daily miracle, a way of life, a habit. Businesspeople, preachers, doctors, soldiers, artists—people in every walk of life—are learning to achieve their goals, to overcome all obstacles to their success, to live the life they want, through the miraculous power of the successful personality. You can be one of these people. Napoleon Hill, world-famous author, associate of great and successful people from Andrew Carnegie to Franklin D. Roosevelt, lifelong teacher of the open secrets of success, can give you this knowledge and power.

Your Thoughts Become Your Riches, Four Books on Gaining Wealth Through Your Thoughts

Four of the world's most influential books on attracting those things you want are contained in this one volume. Realizing your dreams can begin with the steps as outlined in this book. Achieving your life's goals doesn't have to be any more difficult than following what's outlined in It Works! All is possible with a focused intention. Earl Nightingale, Napoleon Hill, Tony Robbins and countless others since R.H. Jarrett have expounded on the principle outlined so succinctly in It Works! The Science of Getting Rich is based upon what Wallace D. Wattles called "the Certain Way of Thinking" what is today known as Positive Thinking. Wattles and The Science of Getting Rich produced Napoleon Hill and his book Think and Grow Rich, were a major inspiration for Rhonda Byrne's bestselling book and film The Secret and continues to enlighten people around the world. James Allen's As a Man Thinketh reminds us that our thoughts control our actions and mold who we are as a person. Good and generous thoughts bring about good and generous actions. Thoughts of greed and covetousness show themselves in selfish and paranoid behavior. Feed your mind on healthful thoughts and happiness and success will follow. In Thoughts Are Things Prentice Mulford explains we have, in effect, two minds: the mind of the body and the mind of the spirit. The mind of the body is limited and fights change. It thinks things must always be the way they've always been. The mind of the spirit trusts in the Supreme Power which made all things and knows that anything is possible if you believe.

C. S. Lewis' Little Book of Wisdom

Meditations on Faith, Life, Love, and Literature *Hampton*

Roads Publishing

Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works. Selections from C.S. Lewis' Little Book of Wisdom: "If God had granted all the silly prayers I've made in my life, where should I be now?" "Surely arrested development consists not in refusing to lose old things, but in failing to add new things..." "Do not dare not to dare." "We are mirrors whose brightness is wholly derived from the sun that shines upon us." "I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity."

Why Men Won't Commit

How To Get What You (both) Want Without Playing Games

Simon and Schuster

Why are men afraid to commit? Dr Weinberg answers this question in WHY MEN WON'T COMMIT and shows women how to help their men change their minds. Dr Weinberg considers that men have four basic needs (the need to be special, to travel light, for loyalty and for emotional closeness) and if they feel that these aren't being met they will develop bad gut reactions against their girlfriends, which will most likely mystify these women. The problem for women and men is that men themselves couldn't tell you about these needs because they've grown up establishing a 'masculine pretence' that forbids them from showing emotion or discussing problems. Dr Weinberg's WHY MEN WON'T COMMIT provides a bridge between the two sexes that will lead to greater understanding, greater commitment and greater happiness. This is a unique approach to an age-old problem because it shows women why they needn't play games, or lose their own dignity, to help men commit. An informed, practical, straight-talking guide to men, or as Dr Weinberg calls them 'the fragile sex', WHY MEN WON'T COMMIT is invaluable to every woman who feels her single life must end - and soon!

The Science of Mind *Phoemixx Classics Ebooks*

The Science of Mind Ernest S. Holmes - A Complete Course of Lessons in the Science of Mind and Spirit . These lessons are dedicated to that truth which frees man from himself and sets him on the pathway of a new experience, which enables him to see through the mist to the Eternal and Changeless Reality. In presenting these lessons in Mental Science to the public, it is my desire to make it possible for any one, who cares to take the time to study them, to demonstrate the truths that will be discussed. It is, perhaps, hard to set down in writing a complete teaching in Mental Science that will not appear difficult to understand; but this could be said as well of any science, and the Science of Mind is no exception to the general rule. From the author of Creative Mind And Success, comes this short book on how to utilise the power of your mind. Holmes shows us how our thoughts can become reality and what we can do to use that to our benefit.

Moon Signs

The Key to Your Inner Life *Ballantine Books*

If you think your astrological fate is sealed by your Sun sign, think again! Your emotions, instincts, intuition, and most private passions are dominated by your Moon sign. In this eye-opening volume, world-famous astrologer and therapist Donna Cunningham unravels the often bewildering effects of lunar influence: a person's potential for intimacy, sense of security, family ties, susceptibility to indulgence in food or drink, career ambition, as well as how men and women respond differently to

the same lunar promptings in love and life. Cunningham provides all the information you need to determine your own and others' Moon signs—and analyze their power. Moon Signs also charts the daily, monthly, and yearly courses of the moon, which create those predictable mood swings—our “emotional weather.” The time-honored tradition of astrology has come into its own as a resource for human development and spiritual insight. For astrological novices and veterans alike, Cunningham's invaluable guide will pave the way to a more profound understanding of the uncharted and sometimes dark side of the soul.

I AM

The Power of Discovering Who You Really Are *Penguin*

"I AM is a fascinating, in-depth and eye-opening look at the very essence of how each of our lives are created in every moment." - Hale Dwoskin, author of the New York Times bestseller, *The Sedona Method* and featured teacher in *The Secret* For centuries humankind has been asking fervent questions about the meaning of life. As Howard Falco learned, the answers to these questions can ultimately be found in the answer to just one: "Who am I?" In late 2002, in the middle of an ordinary life, Falco—a thirty-five-year-old investment manager with a wife and two children—sought the answer to this powerful question and remarkably this quest resulted in a sudden and all-encompassing shift in his awareness that revealed more about life and how we each create it than he ever imagined knowing. Startled by this new understanding and its implications for his own life and the lives of all others, Falco set out to share his discoveries. The stunning result is this book. I AM takes readers on a life-changing journey in which they will discover the incredible power they have over their experience of life, finding that the doorway to eternal peace, happiness, and fulfillment lies in one of the shortest sentences in the written word but the most powerful in the universe: I AM.

Your Invisible Power (Original Classic Edition) *Gildan Media LLC aka G&D Media*

THOMAS TROWARD'S WISDOM SHARED BY HIS ONE AND ONLY STUDENT WITH A NEW PREFACE BY PEN AWARD-WINNING AUTHOR MITCH HOROWITZ! Respect, Trust, and Commitment are the cornerstones of a dedicated relationship between a teacher and a student. For a passionate student yearning to learn and understand the essence of a subject, they must demonstrate these traits before a teacher will take them under their wing. In this case, the teacher was Thomas Troward of Cornwall, England and the student was Genevieve Behrend. He imparted his personal insight to the one and only pupil who could perpetuate this knowledge and share it with the world. Not long after her time with Troward, Behrend began her mission in New York City where she established and headed The School of the Builders until 1925. She established another school in Los Angeles; and then spent the next thirty-five years touring major cities throughout North America as a celebrated lecturer, teacher, and practitioner of Mental Science. *Your Invisible Power* was her first book and remains her most powerful and popular work. In this Original Classic Edition, Behrend presents the Troward philosophy at its best. Her incomparably direct and dynamic personality relates the life-changing concepts on a personal level. As Behrend says, "We all possess more power and greater possibilities than we realize, and visualizing is one of the greatest of these powers." She will motivate and inspire you with a powerful, yet simple and easy guide to open up the way to the attainment of your desires.

In Tune with the Infinite

The Worldwide Bestseller *Penguin*

This is a must-read for all who'd like to strengthen their connection to the Infinite Mind in order to enjoy a free-flow of abundance, personal blessings, intuitive knowledge and the strong sense of well-being that results from a solid connection. Written more than a century ago, this classic work inspired a generation, selling more than two million copies. It is thought to be the original work of inspirational writing that led to such best-sellers as *Think and Grow Rich*, and *The Power of Positive Thinking*. The author, Ralph Waldo Trine, explains that there is only One Life, which he called Infinite Spirit, that underlies, supports and informs all reality. Infinite Spirit takes on the characteristics we ourselves either consciously or subconsciously assume. The result is that we wittingly or unwittingly create ourselves as well as the circumstances and conditions of our lives. If you've never read *In Tune with the Infinite*, you are in for a profound experience and perhaps a revelation. You'll also find priceless instruction on how to ascend to a life of joy and fulfillment that you may have thought possible only in your dreams.

The Power of Receiving

A Revolutionary Approach to Giving Yourself the Life You Want and Deserve *Penguin*

Once in a blue moon an idea comes along that once heard seems so obvious that you wonder why somebody hasn't written about it before. Amanda Owen's *The Power of Receiving: A Revolutionary Approach to Giving Yourself the Life You Want and Deserve* presents a new paradigm for the 21st century—a philosophy that values receiving as much as giving and demonstrates that giving is enhanced when receiving is embraced. With the formula: Believe + Receive = Achieve, *The Power of Receiving* presents a wholly original yet easily accessible road map for people to follow, showing readers how to restore balance to their over-extended lives and attract the life they desire and deserve. Inspiring stories are featured about people who have experienced life-altering results after becoming skilled Receivers, including Ken who regained his hearing after a devastating hearing-loss, Julie who met the man she would later marry, and Don who received an extra \$1,000 a month in his pay check. Based on over twenty years of research into the nature of receptivity and its link to manifestation, *The Power of Receiving* offers a unique vision for anyone seeking to create greater reciprocity in their relationships and more harmony and abundance in their lives.

At Your Command

The First Classic Work by the Visionary Mystic *Penguin*

The first work of higher awareness and practical metaphysics by the twentieth-century's groundbreaking visionary, Neville Goddard. In the past decade the visionary work of Neville Goddard (1905-1972) has attained spectacular popularity. A new generation of readers is discovering and testing Neville's core principle: imagining creates reality. In this handsome Cornerstone Edition, readers can now experience Neville's first book from 1939, *At Your Command*. The book succinctly lays out his teaching with splendor, ease, and total practicality. Neville's first classic work now has the dignified and beautiful publication it deserves. As a special bonus, this Cornerstone Edition includes historian Mitch Horowitz's essay on Neville's life and work, "Neville Goddard: A Cosmic Philosopher," which explores the background of Neville's mysterious teacher Abdullah, and considers how his ideas relate to contemporary science.

Positive Imaging

The Powerful Way to Change Your Life *Open Road Media*

The #1 New York Times–bestselling author and self-help expert combines visualization and prayer to enhance the power of positive thinking. The path to mental and physical wellness, spiritual well-being, and overall success in life is opening up right in front of you—let Dr. Peale show you the way.

The Art of Dealing With People

Les Giblin Books

What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. “The Art of Dealing With People” gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you’re doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who “has a way,” but it doesn’t work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how.

Scripting the Life You Want

Manifest Your Dreams with Just Pen and Paper *Simon and Schuster*

A step-by-step guide to the process of “scripting” your future and successfully manifesting what you want in life • Explores the science behind how the scripting method works and shares the vivid journal entries from the author’s big breakthrough—when he successfully used his method to land a lead role on a TV show • Details how the understanding of incredible new (and, until now, mostly unheard of) scientific discoveries and emerging technologies is the most important key to creating and manifesting in your life • Reveals fun, easy tools for manifesting and self-help, updated for a new generation In this step-by-step guide, filled with success stories and practical exercises, Royce Christyn details a simple “scripting” process for harnessing the Law of Attraction and manifesting what you want in your life—happiness, wealth, travel, love, health, the perfect career, or simply a productive day. The process is backed by science and experience, yet it feels like magic. And all you need is a pen and paper. Inspired by New Thought and Positive Thinking classics, Christyn explains how he developed his scripting method through 4 years of trial and error, keeping what worked and dropping what didn’t until he brought his success rate from 5% to nearly 100%. Sharing pages from his own journals, he outlines how to create the life you want with daily journaling exercises, beginning with a simple list-making practice to figure out your wants and intentions and then progressing to actual scripting of your future, whether the next 12 hours or the next 10 days. He shows how, over time, your scripts will increase in accuracy until they converge with reality. He shares the vivid entries from his big breakthrough—when he successfully used his method to land a lead guest-starring role on Disney Channel’s *Wizards of Waverly Place* with Selena Gomez. He explores how “feeling” your future success as you write your daily scripts helps attract your desired outcomes, and he shares the key phrases to include to make your script come true. The author also explores the science behind how the scripting method works, including a down-to-earth examination of quantum mechanics. From small dreams to lifelong goals, this book gives you the tools to put your thoughts into action and finally close the gap between where you are and where you want to be in your life.

Preventing Bullying Through Science, Policy, and Practice *National Academies Press*

Bullying has long been tolerated as a rite of passage among children and adolescents. There is an implication that individuals who are bullied must have “asked for” this type of treatment, or deserved it. Sometimes, even the child who is bullied begins to internalize this idea. For many years, there has been a general acceptance and collective shrug when it comes to a child or adolescent with greater social capital or power pushing around a child perceived as subordinate. But bullying is not developmentally appropriate; it should not be considered a normal part of the typical social grouping that occurs throughout a child’s life. Although bullying behavior endures through generations, the milieu is changing. Historically, bullying has occurred at school, the physical setting in which most of childhood is centered and the primary source for peer group formation. In recent years, however, the physical setting is not the only place bullying is occurring. Technology allows for an entirely new type of digital electronic aggression, cyberbullying, which takes place through chat rooms, instant messaging, social media, and other forms of digital electronic communication. Composition of peer groups, shifting demographics, changing

societal norms, and modern technology are contextual factors that must be considered to understand and effectively react to bullying in the United States. Youth are embedded in multiple contexts and each of these contexts interacts with individual characteristics of youth in ways that either exacerbate or attenuate the association between these individual characteristics and bullying perpetration or victimization. Recognizing that bullying behavior is a major public health problem that demands the concerted and coordinated time and attention of parents, educators and school administrators, health care providers, policy makers, families, and others concerned with the care of children, this report evaluates the state of the science on biological and psychosocial consequences of peer victimization and the risk and protective factors that either increase or decrease peer victimization behavior and consequences.

Surviving Death

A Journalist Investigates Evidence for an Afterlife *Crown*

"While exploring the evidence for an afterlife, I witnessed some unbelievable things that are not supposed to be possible in our material world. Yet they were unavoidably and undeniably real.

Despite my initial doubt, I came to realize that there are still aspects of Nature which are neither understood or accepted, even though their reality has profound implications for understanding the true breadth of the human psyche and its possible continuity after death." So begins Leslie Kean's impeccably researched, page-turning investigation, revealing stunning and wide-ranging evidence suggesting that consciousness survives death. In her groundbreaking second book, she continues her examination of unexplained phenomena that began with her provocative New York Times bestseller *UFOs: Generals, Pilots, and Government Officials Go on the Record*. Kean explores the most compelling case studies of young children reporting verifiable details from past lives, contemporary mediums who seem to defy the boundaries of the brain and of the physical world, apparitions providing information about their lives on earth, and people who die and then come back to report journeys into another dimension. Based on facts and scientific studies, *Surviving Death* includes fascinating chapters by medical doctors, psychiatrists, and PhDs from four countries. As a seasoned journalist whose work transcends belief systems and ideology, Kean enriches the narrative by including her own unexpected, confounding experiences encountered while she probed the question concerning all of us: Do we survive death?
