How to write in plain English - Help - University of Kent

Creative writing is any form of writing which is written with the creativity of mind: fiction writing, poetry writing, creative nonfiction writing and more. The purpose is to express something, whether it be feelings, thoughts, or emotions. Rather than only giving information or inciting the reader to make an action beneficial to the writer, creative writing is written to entertain or educate someone, to spread awareness about something or someone, or to express one's thoughts.

Creative Writing 101: A Beginner's Guide to Creative Writing

The first step to writing a short story is to write the former, the story, that version of the story that you would tell a friend. And when you write it, be sure to write it in one sitting. Just tell the story . Don't think about it too much, don't go off to do more research, don't take a break.

How to Write a Short Story from Start to Finish
