Most interior design courses consider technical content, understanding of volume and space, light, function and use. What sets our course apart is our user-centred and multidisciplinary approach – spanning retail, domestic, commercial, architectural, transport and marine interiors – to support you in becoming a fully rounded interior design professional.

Interior Architecture & Design BA (Hons) 2020-21 ...

The job title of 'Interior Designer' or the term 'Interior Design' as a separate entity away from architecture, is not a new one. Interior Design developed from within Architecture and really began, as a distinct discipline, around the 14th – 16th centuries when the Renaissance gained prominence and spread across Europe. However, Interior Design as a commercial enterprise really began to be defined following the Industrial Revolution in

the 18th century.

John Evans Interior Architecture and Design : Interior Design

Architects are adept at structural problem-solving and creative design for both exterior and interior building design. Interior architecture focuses on the functionality of a space. This form of architecture is often confused with interior design, which focuses more on aesthetics. Here are the differences between these two career paths.

Interior Architecture vs. Interior Design: Explore the ...

Interior architecture is the design of a building or shelter from inside out, or the design of a new interior for a type of home that can be fixed. It can refer to the initial design and plan used for a building's interior, to that interior's later redesign made to

accommodate a changed purpose, or to the significant revision of an original design for the adaptive reuse of the shell of the building concerned. The latter is often part of sustainable architecture practices, whereby resources are c

Interior architecture - Wikipedia

Interior architects design new spaces or imaginatively adapt, reuse, remodel, refurbish and refit existing buildings creating new exciting, experiential spaces and places, which challenge the way we use buildings, external spaces and live our lives. As Interior architects, you will breathe new life into the tired fabric of old buildings, with sensitive understanding of the site and client context, meeting the needs of the people who will eventually inhabit the spaces you design.
