Peace Treaties And International Law

Introduction. For most of recorded history, peace treaties have been the common instrument of mankind to end war. As a historical phenomenon, peace treaties emerged independently from one another in all major ancient civilizations of the world. For the formation of the modern international law of peacemaking, the dominant strand is the European.

Peace Treaties - International Law - Oxford Bibliographies

As far as the period covered is concerned, the Peace Treaties of Paris (1919/20) were chosen as the terminus ad quem, since they marked a fundamental turning point in the history of international law and the beginning of the era of international organizations; on the other hand, the history of early modern law of nations, which traditionally starts with the Peace Treaties of Westphalia of 1648, 'the very birth certificates of modern European states system', is traced to before this ...

Peace Treaties and International Law in European History

...
 Peace Treaties and International Law in European History delves into the history of peace treaties as legal instruments in early modern Europe (late fifteenth century to 1920). However, the book by no means exhausts the subject.

Peace Treaties and International Law in European History

Oxford Law Citator. 1 Peace treaties are agreements concluded between the parties to an armed conflict that end the state of war or the armed conflict between them (Armed Conflict, International). One can broadly distinguish between two types of peace treaties. First, peace treaties *stricto sensu* are agreements concluded between belligerent States in written form and governed by international law that bring to an end the formal or material state of war between them.

Oxford Public International Law: Peace Treaties

A treaty is an international agreement between States and/or international organizations concluded in written form and governed by international law, whether Catalogue PPL Discovery
