So, what are you waiting for? Begin your analysis experience today with digital Messages From The Body publication downloads. With so many titles and styles to choose from, the opportunities are countless. Happy reading!

Messages from the Body

Their Psychological Meaning

Understanding the Messages of Your Body

How to Interpret Physical and Emotional Signals to Achieve Optimal Health *North Atlantic Books*

Fears, anxieties, traumas, and physical and emotional shocks imprint on the body and remain dormant in its vast memory store until they are roused by an event or encounter. They may manifest in a different form or place—a fearful incident may transform itself into a stomachache or a headache, or even a chronic disease. Pain creates its own path. In particular, psychological and emotional stresses affect the functioning of the internal organs. In *Understanding the Messages of Your Body*, Dr. Jean-Pierre Barral explains the relationships that exist between internal organs and emotions, to allow us to free ourselves from the effects of present and past tensions and traumas. The book opens with an explanation of the body-mind relationship and goes on to show how physical-emotional therapy works based on examples from Dr. Barral's clinical practice. The second part of the book offers detailed analyses of various "types" of human personality and the physical-emotional complexes and related organ dysfunctions that accompany them. The author offers advice and encouragement to improve physical, psychological, and emotional health, and recommends physical exercises, psychotherapeutic approaches, and dietary plans that can be used by both professional therapists and the average reader.

Messages of the Body

Unlock the Secret Messages of Your Body!

A 28-Day Jump-Start Program for Radiant Health and Glorious Vitality *ReadHowYouWant.com*

Body Type

Intimate Messages Etched in Flesh *Abrams*

Body Type is an eye-opening look into the amazingly creative ways that tattoo artists are utilizing typography. Whereas the majority of tattoo art uses images to convey messages, here the message actually is the image. Twenty-six alphabetical characters might not seem like much to work with, but a look

through these photographs reveals the contrary. Here are truly unique social commentaries, expressions of love, hilarious examples of biting satire, plus some mottos, intricate logotypes, deeply personal song lyrics, and, of course, those tattoos that exist for one reason only: to shock the hell out of you. The crisp photographs are accompanied by an insightful commentary from renowned graphic designer and typographer Ina Saltz, plus consistently surprising and heartfelt explanations from the tattooed.

Your Body Speaks Your Mind

Decoding the Emotional, Psychological, and Spiritual Messages That Underlie Illness: Easyread Super Large 20pt Edition *ReadHowYouWant.com*

The Art of Body Talk

How to Decode Gestures, Mannerisms, and Other Non-Verbal Messages *Red Wheel/Weiser*

Yes, you can read anyone like a book! Reading body language is a gateway to understanding why people act the way they do. It's not just a matter of understanding their true emotions, but also identifying their true motivation. In *The Art of Body Talk* the authors share their highly successful READ (Review Evaluate Analyze Decide) system of understanding body language, but with an exciting twist: They give you the skills to use READ to see

what's behind those eye movements, gestures, and twitches, the skills to go inside the head of your source! Why stop at "what" in reading body language? Go all the way to "why"--the driving force behind the actions. Discover how to get past your filters, so you aren't tricked by your own misperceptions. Learn how to apply the skills in business and in your personal life. *The Art of Body Talk* gives you the fastest, most efficient method to read anyone's body language. You will easily be able to perceive the emotions and spot the messages people are really sending--whether they know it or not (and whether they want to or not!).

The Energetics of Health

A Naturopathic Assessment *Elsevier Health Sciences*

This manual teaches students and practitioners how to assess health and disease from an energetic perspective. It allows them to integrate energetic concepts into medical practice. Exploring the concept of health and disease from the perspectives of quantum physics and energetic principles, Ayurveda, Traditional Chinese Medicine, Naturopathic medicine and Polarity Therapy, the book uses case histories to illustrate the application of energetic methods to practice. Case histories are accompanied by illustrations and give details of assessment made, treatment recommended and results of treatment. All concepts and practices advocated are critically assessed and supported by evidence.

Our Molecular Nature

The Body's Motors, Machines and Messages *Springer Science & Business Media*

Molecular Nature is a richly illustrated guide to the extraordinary diversity of molecules that are responsible for life. David Goodsell, author of the highly-praised book, *The Machinery of Life*, has synthesized a vast amount of data in a manner that is accessible to the general reader. *Molecular Nature* examines topics ranging from the shape of cells to the molecules responsible for digestion, immunity, and thought. The author's unique combination of scientific and artistic talents make this a readable, stimulating and highly evocative book. About the Author: David Goodsell is in the Department of Molecular Biology at the Research Institute of Scripps Clinic in La Jolla, California. His research involves computer graphics and X-ray crystallography. He is the author of *The Machinery of Life* (Springer-Verlag, 1992), and his artwork has been shown at exhibitions on science and art.

Decoding the Secret Language of Your Body *Simon and Schuster*

Argues that many symptoms are "messages" describing in physical terms emotions experienced in the body

Meta Messages from Your Body

Discover the Cause of Disease and Why Your Body Doesn't Make Mistakes

Your Body Speaks Your Mind

Understanding how your emotions and thoughts affect you physically *Piatkus*

What are your symptoms and illnesses telling you about yourself? In *Your Body Speaks Your Mind*, renowned teacher and bestselling author Deb Shapiro shows how understanding your body's 'language of symptoms' can increase your potential for healing. She explains the interconnectedness between your physical state and your emotional, psychological and spiritual health, and reveals: How unresolved emotional and psychological issues can affect your physical health; How feelings and thoughts are linked to specific parts of the body; How you can take steps to heal your body with your mind, and your mind with your body.

Your Body Speaks Your Mind shows you how to initiate communication between body and mind, and decode the priceless information your body is giving you, in order to achieve better health and a greater sense of wellbeing.

The Body Keeps the Score

Brain, Mind, and Body in the Healing of Trauma *Penguin*

#1 New York Times bestseller “Essential reading for anyone interested in understanding and treating traumatic stress and the scope of its impact on society.” —Alexander McFarlane, Director of the Centre for Traumatic Stress Studies A pioneering researcher transforms our understanding of trauma and offers a bold new paradigm for healing in this New York Times bestseller Trauma is a fact of life. Veterans and their families deal with the painful aftermath of combat; one in five Americans has been molested; one in four grew up with alcoholics; one in three couples have engaged in physical violence. Dr. Bessel van der Kolk, one of the world’s foremost experts on trauma, has spent over three decades working with survivors. In *The Body Keeps the Score*, he uses recent scientific advances to show how trauma literally reshapes both body and brain, compromising sufferers’ capacities for pleasure, engagement, self-control, and trust. He explores innovative treatments—from neurofeedback and meditation to sports, drama, and yoga—that offer new paths to recovery by activating the brain’s natural neuroplasticity. Based on Dr. van der Kolk’s own research and that of other leading specialists, *The Body Keeps the Score* exposes the tremendous power of our relationships both to hurt and to

heal—and offers new hope for reclaiming lives.

Body Messages *Harvard University Press*

Whether classified as regulators of inflammation, metabolism, or other functions, a distinctive set of molecules enables the body to convey information from one cell to another. Giamila Fantuzzi offers a primer on molecular mediators that coordinate complex bodily processes, and explores the consequences of their discovery for modern medicine.

Messages to Me

Words Collected on the Road to Silence *Margaret Coyle Irsay*

My Body

Emily Ratajkowski's deeply honest and personal exploration of what it means to be a woman today - THE NEW YORK TIMES BESTSELLER *Hachette UK*

THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. _____ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving

as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, My Body is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian _____ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between

consent and abuse. Nuanced, unflinching, and incisive, My Body marks the debut of a fierce writer brimming with courage and intelligence.

I Can Read You Like a Book

How to Spot the Messages and Emotions People Are Really Sending With Their Body Language: Easyread Super Large 20pt Edition *ReadHowYouWant.com*

I can read you like a book: how to spot the messages and emotions people are really sending with their body language.

HTTP

The Definitive Guide "O'Reilly Media, Inc."

Covers topics including HTTP methods and status codes, optimizing proxies, designing web crawlers, content negotiation, and load-balancing strategies.

Your Body Speaks Your Mind

Decoding the Emotional, Psychological, and Spiritual Messages That Underlie Illness *ReadHowYouWant.com*

Shapiro explains why unresolved psycho/emotional issues can affect physical health, how feelings and thoughts are linked to specific body parts, and steps to take to heal the body with the mind, and to heal the mind with the body.

Digital Body Language

How to Build Trust and Connection, No Matter the Distance *St. Martin's Press*

An instant Wall Street Journal Bestseller The definitive guide to communicating and connecting in a hybrid world. Email replies that show up a week later. Video chats full of “oops sorry no you go” and “can you hear me?!” Ambiguous text-messages. Weird punctuation you can’t make heads or tails of. Is it any wonder communication takes us so much time and effort to figure out? How did we lose our innate capacity to understand each other? Humans rely on body language to connect and build trust, but with most of our communication happening from behind a screen, traditional body language signals are no longer visible -- or are they? In *Digital Body Language*, Erica Dhawan, a go-to thought leader on collaboration and a passionate communication junkie, combines cutting edge research with engaging storytelling to decode the new signals and cues that have replaced traditional body language across genders, generations, and culture. In real life, we lean in, uncross our arms, smile, nod and make eye contact to show we listen and care. Online, reading carefully is the new listening. Writing clearly is the new empathy. And a phone or video call is worth a thousand emails. *Digital Body Language* will turn your daily misunderstandings into a set of collectively understood laws that foster connection, no matter the distance. Dhawan investigates a wide array of exchanges—from large conferences and video meetings to daily emails, texts, IMs, and conference calls—and offers insights and solutions to build trust and clarity to anyone in our ever changing world.

Here Sister, Let Me Help You Up

Messages of Sisterhood, Self-Care, and Body Love *Castle Point Books*

A collection of original body-positive feminist art from Instagram personality Stephanie Chinn. You are always enough and never too much! It’s time to love yourself as you are and support the sisters all around you on their own self-love journeys. Here *Sister, Let Me Help You Up* offers more than 90 pages of relatable art and inspiring words to encourage self-care, body positivity, and confidence in the different but equal paths we choose. - Meet your body gently, with truth and love - Protect your head and heart from negative messages and let positivity flow - Celebrate your strength and worth in all the seasons of your life Every page of this beautifully illustrated book guides you past self-doubt and limiting beliefs to embrace the gift of your glorious body and the fullness of your life. It’s only when we realize how much magic we each hold and let it shine (without apologies!) that we can change our lives and change our world for future generations.

embody

Learning to Love Your Unique Body (and quiet that critical voice!) *GŸrze Books*

Embody: A Guide to Celebrating Your Unique Body (and quieting that critical voice!) brings to life the work of The Body Positive, a non-profit organization founded in 1996 by Connie Sobczak and Elizabeth Scott, LCSW. This book’s message is rooted in the philosophy that people inherently possess the wisdom necessary to make healthy choices and to live in balance. It emphasizes that self-love, acceptance of genetic diversity in body size,

celebration of the unique beauty of every individual, and intuitive self-care are fundamental to achieving good physical and emotional health. It encourages readers to shift their focus away from ineffective, harmful weight-loss efforts towards improving and sustaining positive self-care behaviors. Initial research indicates that this work significantly improves people's ability to regulate eating, decreases depression and anxiety, and increases self-esteem—all critical resources that promote resiliency against eating and body image problems. Embody guides readers step-by-step through the five core competencies of the Body Positive's model: Reclaim Health, Practice Intuitive Self-Care, Cultivate Self-Love, Declare Your Own Authentic Beauty, and Build Community. These competencies are fundamental skills anyone can practice on a daily basis to honor their innate wisdom and take good care of their whole selves because they are motivated by self-love and appreciation. Rather than dictating a prescriptive set of rules to follow, readers are guided through patient, mindful inquiry to find what works uniquely in their own lives to bring about—and sustain—positive self-care changes and a peaceful relationship with their bodies. Through workshops, lectures, and leadership trainings, Sobczak and Scott have helped thousands of people of all sizes, ages, sexual orientations, genders, ethnicities, and socioeconomic levels to lead healthier and more meaningful lives by learning how to cherish their unique bodies—no small task given today's barrage of thin images and emphasis on dieting. Embody offers practical tools as well as personal stories to bring Sobczak and Scott's work into one's own life. It is a resource that can be read cover to cover as well as revisited time again while moving through the inevitable changes that come with personal

growth. A lifeboat in the sea of messages that demean the bodies of both men and women, Embody is a safe haven for all.

Sendmail "O'Reilly Media, Inc."

Reliable, flexible, and configurable enough to solve the mail routing needs of any web site, sendmail has withstood the test of time, but has become no less daunting in its complexity. Even the most experienced system administrators have found it challenging to configure and difficult to understand. For help in unraveling its intricacies, sendmail administrators have turned unanimously to one reliable source--the bat book, or sendmail by Bryan Costales and the creator of sendmail, Eric Allman. Now in its third edition, this best-selling reference will help you master the most demanding version of sendmail yet. The new edition of sendmail has been completely revised to cover sendmail 8.12--a version with more features and fundamental changes than any previous version of the Unix-based email routing program. Because the latest version of sendmail differs so significantly from earlier versions, a massive rewrite of this best-selling reference was called for. The book begins by guiding you through the building and installation of sendmail and its companion programs, such as vacation and makemap. These additional programs are pivotal to sendmail's daily operation. Next, you'll cover the day-to-day administration of sendmail. This section includes two entirely new chapters, "Performance Tuning" to help you make mail delivery as efficient as possible, and "Handling Spam" to deal with sendmail's rich anti-spam features. The next section of the book tackles the sendmail configuration file and debugging. And finally, the book wraps up with five appendices

that provide more detail about sendmail than you may ever need. Altogether, versions 8.10 through 8.12 include dozens of new features, options, and macros, and this greatly expanded edition thoroughly addresses each, and provides an advance look at sendmail version 8.13 (expected to be released in 2003). With sendmail, Third Edition in hand, you will be able to configure this challenging but necessary utility for whatever needs your system requires. This much anticipated revision is essential reading for sendmail administrators.

Confidence Culture *Duke University Press*

In *Confidence Culture*, Shani Orgad and Rosalind Gill argue that imperatives directed at women to “love your body” and “believe in yourself” imply that psychological blocks rather than entrenched social injustices hold women back. Interrogating the prominence of confidence in contemporary discourse about body image, workplace, relationships, motherhood, and international development, Orgad and Gill draw on Foucault’s notion of technologies of self to demonstrate how “confidence culture” demands of women near-constant introspection and vigilance in the service of self-improvement. They argue that while confidence messaging may feel good, it does not address structural and systemic oppression. Rather, confidence culture suggests that women—along with people of color, the disabled, and other marginalized groups—are responsible for their own conditions. Rejecting confidence culture’s remaking of feminism along individualistic and neoliberal lines, Orgad and Gill explore alternative articulations of feminism that go beyond the confidence imperative.

Body Respect

What Conventional Health Books Get Wrong, Leave Out, and Just Plain Fail to Understand about Weight *BenBella Books, Inc.*

Mainstream health science has let you down. Weight loss is not the key to health, diet and exercise are not effective weight-loss strategies and fatness is not a death sentence. You’ve heard it before: there’s a global health crisis, and, unless we make some changes, we’re in trouble. That much is true—but the epidemic is NOT obesity. The real crisis lies in the toxic stigma placed on certain bodies and the impact of living with inequality—not the numbers on a scale. In a mad dash to shrink our bodies, many of us get so caught up in searching for the perfect diet, exercise program, or surgical technique that we lose sight of our original goal: improved health and well-being. Popular methods for weight loss don’t get us there and lead many people to feel like failures when they can’t match unattainable body standards. It’s time for a cease-fire in the war against obesity. Dr. Linda Bacon and Dr. Lucy Aphramor’s *Body Respect* debunks common myths about weight, including the misconceptions that BMI can accurately measure health, that fatness necessarily leads to disease, and that dieting will improve health. They also help make sense of how poverty and oppression—such as racism, homophobia, and classism—affect life opportunity, self-worth, and even influence metabolism. Body insecurity is rampant, and it doesn’t have to be. It’s time to overcome our culture’s shame and distress about weight, to get real about inequalities and health, and to show every body respect.

Healer's Handbook for Practitioners

Twelve Spiritual Powers

A Coloring Book for Your Mind, Body, and Soul *Createspace Independent Publishing Platform*

The images in this book each represent one of the 12 Spiritual Powers. Each drawing is accompanied by a page of information about the attributes of that power, the disciple associated with it, the color, the body energy point, and any angels, flowers or herbs associated with the power. Consciously using this information allows the essence of each power to become more real, and a powerful tool in our daily lives.

When Your Body Talks, Listen! *CreateSpace*

How we become ill and the causes of illness are generally a mystery to most people. Researchers now tell us that 70% to 80% of all illnesses seen by medical doctors are either caused by or made worse by stress. The full story of those Stress-Related Disorders, illnesses produced by stress, are now examined and illuminated by Dr's Allen and Lisa Robyn Lawrence. You must read this book if you, or someone you know: Experience symptoms which you believe indicate that you are becoming ill and want to stop the illness process. Are already ill and are not getting the results you want from your doctor. Are well and want to either prevent becoming ill in the future or learn how you can prevent illness before it can set in. Are already ill and want to learn to work with your body's natural healing ability without expensive, painful or dangerous medical treatments. The Dr's

Lawrence take you on step-by-step journey illustrating the role you mind, your body and your spirit play in creating and healing illness. When Your Body Talks, Listen! Will teach you how to protect yourself from Stress-Related Disorders, and the detrimental short and long-term effects from them.

Power of the Fitness Mind

Transform Your Body and Your Life. the Ultimate Mindset to Achieve Your Fitness Goals. *Createspace Independent Publishing Platform*

The Ultimate Guide for Improving Every Part of Your Life by Creating a Fitness Mindset What is Holding You Back in Your Life? Have you tried diet and exercise programs before, only to find you can never stick with anything, or that the weight just won't come off? Or maybe you're physically fit but nothing else in life is quite adding up. You are not alone. Every year people all over the world commit themselves to living a healthier life and shedding their extra weight, and every year most people fail. If this describes you, you need this book. The reason you have failed in your other efforts is because none of those other programs showed you the secret to fitness success. They only gave you part of the puzzle. This book shows you that the real power to get healthy, physically fit, and lose weight is your mindset. Author, and personal trainer, Charlie S. Dannelly II teaches you the secrets to developing a fitness mindset inside his powerful book, Power of the Fitness Mind. Inside you will discover: -What fitness really means -How to lose weight -How to become healthier, stronger, happier, and wealthier -How to improve your spiritual

fitness -The relationship between fitness and the power of attraction -How to improve and sustain your fitness focus -How to gain financial fitness -Why fitness makes you smarter -The secrets of nutritional fitness -How to get fitness minded results - And Much More If you are tired of failing and want to unlock your full potential in every area of your life, you cannot afford to miss this book. Everything you need to develop the body of your dreams, and the life you have always known you were meant to live, is in this book. There are many fitness and financial gurus out there who will try and sell you some magic formula for getting what you want. But, most of these so-called experts only focus on a small piece of what you need to succeed. The body, mind, and soul must all work together to fully achieve what you are capable of physically, mentally, spiritually, and financially. It's time for you to get in the fitness mindset.

Dark Psychology 6 Books In 1

Introducing Psychology,How to Analyze People,Manipulation,Dark Psychology Secrets,Emotional Intelligence and Cognitive Behavioral Therapy,Emotional and Narcissistic Abuse

Are you interested in understanding the human mind? Would you like to be able to influence other people's minds with ease? Do you want to learn how to better yourself to become successful? Do you want to become socially powerful? If so, then keep reading... Some of the darkest sources have given us some of the most compelling evidence and information on being able to control other people. From looking at narcissists to looking at the

dark personality types, there is plenty of information to be gained through watching how they interact with others. On the other hand, there is much to be gained from learning how to maintain one's mindset as well. You can learn all about emotional intelligence, how to self-regulate, and how you can better yourself. All of these subjects have one common theme-- psychology. This book series delves into several of the most compelling psychological topics out there. You will be provided with six books that can teach you about analyzing people, understanding the mind and vulnerabilities, recovering from abuse, becoming emotionally intelligent, and more. How to Analyze People with Dark Psychology will provide you with all of the information that you would need to know to be able to analyze the minds of others. You will be able to understand reading other people to understand what motivates them so you can learn how to motivate them yourself. Manipulation and Dark Psychology will provide you with information on the most common manipulation tactics that are out there, how to make use of them, and how always to get what you want, no matter where you are. Emotional and Narcissistic Abuse Recovery will guide you through recognizing both emotional and narcissistic abuse, as well as the processes that can be used to help people who have suffered from narcissistic abuse recover. Dark Psychology Secrets will teach you how you can learn how to influence other people better, drawing from the tendencies that people who have dark personality types use to control other people and how those can be used in theory to aid in influence and control of others. Emotional Intelligence & CBT will teach you the ins and outs of emotional intelligence--a skillset that every

person needs to know and understand to be successful, as well as all of the background information required for cognitive behavioral therapy to allow for the use of cognitive restructuring for anyone. Introducing Psychology will introduce you to everything that you will need to know about psychology to understand better how your mind works. When you look through the world with these principles, you will learn everything necessary to understand your own emotions, tendencies, and behaviors. When you buy this bundle, you will get all of that information and more. You will be given insight into how human minds work--and if you learn that information, you will be able to use it as well. You will be able to become influential, stronger, and better than ever before by applying many of the principles that you will be given. The time to act is now-- you can reclaim the power that you deserve. Don't hesitate and scroll up to click on BUY NOW today!

Energize Your Life

A Guide to Revitalizing and Nurturing Your Optimal Health & Well Being for the Body, Mind, and Spirit *CreateSpace*

This 100-page, illustrated activity book inspires and encourages positive thinking and mindful actions that lead to a healthy mind, body, and spirit. Coloring and keeping a diary (at any age) are simple ways to find peace from within. Visit MyDreamsMatter.com for more inspirational fun!

Health at Every Size

The Surprising Truth about Your Weight *Benbella Books*

Not your average diet book, Health at Every Size is a guide to healthy living for those who can't stand leek soup and like to chew their food. It debunks the diet-to-lose-weight myth, showing how traditional dieting activates 'thrifty genes' that lead to weight gain. It shows readers how to harness the incredible power of their own mechanisms to improve their health and move beyond weight problems.

Silent Messages

Courage to Soar

A Body in Motion, a Life in Balance

"Simone takes you through the events, challenges, and trials that carried her from an early childhood in foster care to a coveted spot on the 2016 Olympic team" --

Get Fit, Stay Fit, Remain Fit

Create Habits That Last *Glen Gosch*

There is no secret to losing weight, building muscle, and getting in shape. We have always had the tools. We have lacked in creating habits using the tools we have. In this breakthrough book you will not hear the same old advice you have always heard about health, fitness, and dieting. This book is about truly creating a healthy lifestyle and making exercise a lifelong habit. Get Fit, Stay Fit, Remain Fit is a discovery of: - How to build a system for achieving the healthy body you want. - How to set goals, achieve goals, and stay on track as you go after your goals. - How to stay motivated with exercise for the long-term so that nothing will stop you in the pursuit of what you want to accomplish. It's time for you to achieve your health and fitness goals. Forever. No more fitness-related New Year's resolutions. No more going on diets. No more temporary results. With Get Fit, Stay Fit, Remain Fit you will create habits that last and create results that last.

Sensational Presentation Skills

That Move Your Listeners Into Action *CreateSpace*

Are you and your messages often misunderstood? Do your messages inspire action or add confusion? Although technology now provides multiple channels to communicate on, getting your message understood and acted upon still depends upon your proficiency using the most important communication tools available, your body and emotions. Kurt Larsson's Sensational

Presentation Skills is a powerful guide for your journey toward communication mastery. The first in a series of Sensational Soft Skills Toolbox handbooks by Larsson, this practical how-to guide offers twenty steps that highlight the importance of being fully engaged—mind and body—when you communicate. Larsson emphasizes it's equally about the words used and what your body language demonstrates. As more people turn to technology to mediate their human interactions, your ability to engage listeners in person will increase in value. Learn to powerfully handle your fears while expressing yourself fully to “move” others into action. Take a conscious step forward with this toolbox of soft skills and set yourself ahead of the curve, in both your work and your personal life. As your skills increase, you'll appreciate the layers of wisdom Larsson has packed into this guide, and you'll find yourself returning to it again and again.

Creative Stress

A Path for Evolving Souls Living Through Personal and Planetary Upheaval

Creative Stress reveals with precision how we can and must transmute negative stress so that we can evolve individually and collectively. It offers the reader a steady climb to the higher reaches of human creativity and fulfillment, and is packed with compelling stories from O'Dea's exceptionally rich experience.
