About "Love Someone" 1 contributor
"Love Someone" is an electric guitar-driven ballad where lead singer, Lukas Forchhammer, acknowledges his deep love to his girlfriend, Rillo. Lukas Graham played...

Lukas Graham - Love Someone Lyrics | Genius Lyrics

A simple glance at the person may cause strong feelings of affection and attachment. You may also feel an overwhelming need to make that person happy—because love is also an action, not just a feeling. Truly loving someone means caring for them in the ways that they need to be cared for, with no strings attached.

15 Ways To Love Someone (And What That Really Means)

When you're in love, you're genuinely a happier person. It's like you're on a natural high. The thought of spending time with your partner really excites you and just looking at the dozens of...

Those who are deeply in love typically experience sexual desire for their beloved, but there are strong emotional strings attached: The longing for sex is coupled with possessiveness, a desire for...

13 Scientifically Proven Signs You're in Love | Live Science

And it certainly goes without saying that love is a truly incredible feeling. It is one

of life's most fulfilling experiences. The ability to have an affectionate and intimate connection with another person is one of the most important things there is in life.

255 Love Quotes to Best Express Deep Feelings | Short Sayings

Love is not a static emotion – it's meant to be shared, received, or given. Because of its social nature, many people think that being around someone is the same as being in love with them. Loving someone means cherishing them for who they are, not what they can do for you. A person shouldn't represent possibilities, freedom, and happiness.

How do you know you love someone? Everything you need to ...

"In love" carries a romantic meaning along with the deep affection and care you have for someone. So, you can love the person you're dating, but if you are in love with them there is a passion and urgency to the love that differs from the feelings you have for friends and family.

How to Tell If You Love Someone: Will You Actually Just Know?

Consider whether the person is worth your love or not. Love requires a significant emotional investment. While loving someone is not always a matter of choice, it may be worth taking a look at the connection you have with a given person and thinking how loving them might affect you.

How to Love Someone (with Pictures) - wikiHow

Falling in love produces a biological state that is a similar high to being on cocaine. More interestingly, Marazziti discovered that falling in love also alters testosterone levels in men and...
