Surveillance
Intelligence Privacy
And**

He highlights the complexity of the relationship between the gathering of intelligence for national security and countervailing efforts to safeguard individual privacy. The Fourth Amendment prohibiting unreasonable searches and seizures offers no panacea, he finds, in combating assaults on privacy—whether by the NSA, the FBI, local police, or more mundane administrative agencies.

American Surveillance: Intelligence, Privacy, and the ...

Privacy and Surveillance. Privacy today faces growing threats from a growing surveillance apparatus that is often justified in the name of national

security. Numerous government agencies—including the National Security Agency, the Federal Bureau of Investigation, the Department of Homeland Security, and state and local law enforcement agencies—intrude upon the private communications of innocent citizens, amass vast databases of who we call and when, and catalog “suspicious activities ...

American Surveillance Intelligence Privacy And The Fourth ...

“The systematic and flagrant violations by government agencies of the privacy rights of Americans have reached unprecedented and disturbing levels. The authoritative and auspicious book American Surveillance now tackles the critical national security, constitutional, and civil liberties issues involved in the most profound way. Those who want to protect

and defend liberty, peace, and justice, and who want to take the debate to the highest level, will find this book indispensable.”

UW Press: American Surveillance
