Let Us Pray *Christian Fellowship Publications*

What is prayer? Are we really praying when we pray? Do we know the power of prayer? These matters and others must be understood if we would have a real prayer life and be effective in prayer. In this little volume of collected messages given over a long period of ministry by the author, and which are now translated and published in English for the first time, Watchman Nee shares with us the lessons on prayer that he has learned through the years. He considers prayer to be a mystery, though not something that is

incomprehensible. He views prayer as the greatest work to which men are called. It is a working together with God. Through it, God's purpose is accomplished and Satan's intentions are broken. And its benefit to the one who prays is something great as well. Let us therefore follow the admonition of our blessed Lord, who said: "Rise and pray" (Luke 22.46).

Ecclesiastics and political state building in the Iberian monarchies, 13th-15th centuries

Publicações do Cidehus

The project "The European Dimension of a Group of Power: Ecclesiastics and the political State Building of the Iberian Monarchies (13th-15th

centuries)" supported by the Fundação para a Ciência e Tecnologia assembled an inter-university team, that brought together researchers from five Portuguese universities and three Spanish universities, as well as consultants from three different universities. The book now being published is one of the outcomes of the work undertaken by the Iberian inter-university team. It confirms the possibilities opened up by teamwork and compared perspectives, as well as the need to pursue this approach in order to clarify the circumstances and conditionalities of a relationship from which both sides benefited. Thus the studies gathered here seek to return to the question

of the Church's and clerics' contribution to the construction of royalty, approaching the peninsular context in a comparative way and analysing that contribution on different levels.

Living Close to God (When You're Not Good at It)

A Spiritual Life That Takes You Deeper Than Daily Devotions

WaterBrook

Have you tried harder to have a consistent time with the Lord—but failed? Does your mind wander during prayer, and do you run out of things to say? Do you question why it is so hard to fellowship with the Lord? Stop feeling like a failure at daily devotions and start walking every day with

You will find ways to start your day with Christ, beginning with your first conscious thought in the morning. You will learn how to fellowship with Him during even the most demanding days. And when you go to the Scriptures, you will talk with Him in a two-way conversation—just as His first followers did. Includes a small-group discussion guide and a

guide for your own relationship with God.

The Day I Was Crucified

As Told by Jesus Christ *Destiny Image Publishers*

Quite simply, one of the most powerful, moving pieces of Christian literature of modern times. Other books have recorded the crucifixion and resurrection, but never before has the reader been ushered into unseen realms to witness the power of the cross as seen from the view of God the Father. You will discover a whole world of new meaning of Christ's death as you witness the destruction of the world systems, the annihilation of the law, the end of Adam's fallen race...and the

death of Death. Here is an unequalled drama of power and depth which Christian literature has rarely, if ever, achieved. Edward's *The Day I Was Crucified As Told By Jesus the Christ* now takes its place among the greatest of Christian literature. We will still be reading this book 200 years from now, and still weeping (and praising) as we read. This is one of those rare life-transforming books.

The Secret of Christian Living *Christian Fellowship Pub.*

The consuming desire of all true Christians is to be like Christ Jesus. Without doubt, such holy ambition is inspired by the Holy Spirit. For it is God's eternal will that all who are called by Him are

to be conformed to the image of His beloved Son. Yet how ironical it is that most Christians seem to undergo great frustration in failing to reach that goal. Does God plan it that way or do we fail to know and appropriate the provision of God? Thank God, He never calls without providing. Therefore, it behooves us to enter into the secret of Christian living. Truth is always simple in nature. This entire secret of Christian living is given in two simple phrases, which are: "in Christ" and "Christ in us." In this present volume, brother Watchman Nee presents the secret of Christian living in three parts; namely, in Christ, Christ in us, and some applications. These are messages given mainly from

1934 to 1938 in various cities of China. They are more direct, more illustrative and easier to understand. It can be viewed as a companion volume to the classic, *The Normal Christian Life*.

How Democracies Die *Crown*

NEW YORK TIMES BESTSELLER •

"Comprehensive, enlightening, and terrifyingly timely."—The New York Times Book Review (Editors' Choice) WINNER OF THE GOLDSMITH BOOK PRIZE • SHORTLISTED FOR THE LIONEL

GELBER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Time • Foreign Affairs • WBUR • Paste Donald Trump's presidency has raised a question that many of us never thought we'd be asking: Is our democracy in danger? Harvard professors Steven Levitsky and Daniel Ziblatt have spent more than twenty years studying the breakdown of democracies in Europe and Latin America, and they believe the answer is yes. Democracy no longer ends with a bang—in a revolution or military coup—but with a whimper: the slow, steady weakening of critical institutions, such as the judiciary and the press, and the gradual erosion of long-standing political norms. The good news is that there are several exit ramps on the road to authoritarianism. The bad news is that, by electing Trump, we have already passed the first one. Drawing on decades of research and a wide range of historical and global examples, from 1930s Europe to contemporary Hungary, Turkey, and Venezuela, to the American South during Jim Crow, Levitsky and Ziblatt show how democracies die—and how ours can be saved. Praise for *How Democracies Die* "What we desperately need is a sober, dispassionate look at the current state of affairs. Steven Levitsky and Daniel Ziblatt, two

of the most respected scholars in the field of democracy studies, offer just that.”—The Washington Post “Where Levitsky and Ziblatt make their mark is in weaving together political science and historical analysis of both domestic and international democratic crises; in doing so, they expand the conversation beyond Trump and before him, to other countries and to the deep structure of American democracy and politics.”—Ezra Klein, Vox “If you only read one book for the rest of the year, read *How Democracies Die*. . . . This is not a book for just Democrats or Republicans. It is a book for all Americans. It is nonpartisan. It is fact based. It is deeply

rooted in history. . . . The best commentary on our politics, no contest.”—Michael Morrell, former Acting Director of the Central Intelligence Agency (via Twitter) “A smart and deeply informed book about the ways in which democracy is being undermined in dozens of countries around the world, and in ways that are perfectly legal.”—Fareed Zakaria, CNN

The Golden Bough *Cambridge University Press*

This work by Sir James Frazer (1854-1941) is widely considered to be one of the most important early texts in the fields of psychology and anthropology. At the same time, by applying modern methods of comparative

ethnography to the classical world, and revealing the superstition and irrationality beneath the surface of the classical culture which had for so long been a model for Western civilisation, it was extremely controversial. Frazer was greatly influenced by E. B. Tylor's *Primitive Culture* (also reissued in this series), and by the work of the biblical scholar William Robertson Smith, to whom the first edition is dedicated. The twelve-volume third edition, reissued here, was greatly revised and enlarged, and published between 1911 and 1915; the two-volume first edition (1890) is also available in this series. Volume 3 (1911) is concerned with the

concept of taboo, and its presence in all religious systems.

Life Interrupted *B&H Publishing Group*

From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions.

They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and

possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .

A Revolutionary Solution to the #1 Marriage Problem Why

does communication between couples remain the number one marriage issue? "Because," says Dr. Emerson Eggerichs, "most spouses don't know that they speak two different languages.
