Journal Info. Science and Children. Description: Science and Children is an award-winning peer-reviewed practitioners’ journal with an audience of preK-5 science teachers and those who provide them support, as well as instructors of teachers and preservice elementary students. S&C is published nine times a year and is available in both hard copy and as an e-journal.

Science and Children on JSTOR

Starting a Science Journal. Science journals encourage writing, drawing, reading and a way for kids to record all their discoveries and adventures. There are so many ways to approach journaling -- you can journal by topic or keep your journal in date order (more like a diary). Journals can include written observations, drawings, photos, items that are taped in or a combination of all of these. My advice is to go with a structure that fits your child's age & personality.
