CAPM Exam Prep Flashcards (PMBOK Guide, 6th Edition)

Construction Extension to the PMBOK® Guide Project Management Institute

A Guide to the Project Management Body of Knowledge (PMBOK® Guide) provides generalized project management guidance applicable to most projects most of the time. In order to apply this generalized guidance to construction projects, the Project Management Institute has developed the Construction Extension to the PMBOK® Guide.This Construction Extension provides construction-specific guidance for the project management practitioner for each of the PMBOK® Guide Knowledge Areas, as well as guidance in these additional areas not found in the PMBOK® Guide:•All project resources, rather than just human resources•Project health, safety, security, and environmental management•Project financial management, in addition to cost•Management of claims in constructionThis edition of the Construction Extension also follows a new structure, discussing the principles in each of the Knowledge Areas rather than discussing the individual processes. This approach broadens the applicability of the Construction Extension by increasing the focus on the “what” and “why” of construction project management. This Construction Extension also includes discussion of emerging trends and developments in the construction industry that affect the application of project management to construction projects.

Please note that this book is based on PMBOK Guide 6th Edition. There are so many PMP Books, why should you buy this one? While other books focus on passing strategy this book focuses on simplicity and clarity of understanding the concepts. The best way to guarantee acing the exams. Each concept practically explained with examples from different domain. Thus making you practically effective as well. 100's of illustrations for easy recall and retention and make the book interesting. Loaded with tips and tricks that you can actually use. Every chapter ends with a Ninja Drill to refresh the most important concepts in that Chapter / Knowledge Area. The only book that gives access to "Real Exams" like simulator. Details of access inside the book. This would let you know your improvement areas as well. Author has over 19,000 certified candidates who trained under him / his company called PM-Pulse. The only set of books you would need to buy. They are complete in all respects (Minus the mindless Exams Passing strategies and schemes). What is the philosophy of this book / training? The book is based on 3 simple philosophy. One: if you understand the subject well you will be able to answer any question, no matter how complex, that's asked to you on that subject. It's much easier to understand the subject than to run around trying to understand different kinds of questions, schemes, strategies and jargons to clear PMP Exams. We have been using this methodology since 2006 with over 19,000 PMP certified professionals and our candidates not only pass the exams in first try they also become practically better in project management due to "Understanding" the subject. Two: if the subject is explained in an interesting manner and with a lot of real world examples people absorb it better and remember it the longest. Hence these series are filled with apt and real world examples for every single concept. And Three: people respond to illustrations and images better than just plain text. This book is filled with illustrations of concepts, tips and tricks and mind-maps that will make it easy for you to understand as well as help you create image-associations for speedy recalls and retention. Ok! So who is the author? Maneesh Vijaya, PMP Chief Consultant, Mentor, Coach and Trainer on Strategy, Portfolio, Program and Project Management with 25+yr Experience Founder of PM-Pulse, Global REP of PMI, USA Founder of "Read & Pass Notes" Founder of the exams simulation site a2zpm and PM audio sites "PM Dhvani". Founder and CEO of an IT organization dedicated to Project and Productivity tools and software by the name of "Pulse Of IT". What are the other books by Read & Pass Notes? One book for each of the 10 Knowledge areas and 1 for Project Framework, making a total of 11 books in this series. Governance of Portfolios, Programs, and Projects

A Practice Guide Project Management Institute

Understanding governance as it applies to portfolios, programs, and projects is growing in importance to organizations, because appropriate governance is a factor in the success or failure of strategic initiatives and portfolios, as well as an organization’s programs and projects. Implementing an effective governance framework can be challenging due to factors such as increasing business complexities, regulatory requirements, globalization, and rapid changes in technology and business environments. Many organizations do not have a consistent approach to portfolio, program, and project governance. PMI’s Governance of Portfolios, Programs, and Projects: A Practice Guide, developed by leading experts in the field, provides guidance to organizations and practitioners on how to implement or enhance governance on portfolios, programs, and projects. This practice guide provides definitions for governance in an effort to distinguish the different levels of governance and to identify their common elements.

With around 350 practice problems and detailed explanations, you should be able to pass the exam confidently! P.S. Author's advice on how to use this book for exam cram (Included in preface) "Step 1: Read through the 1st chapter of your new PMBOK 6th Edition Step 2: Read the 1st chapter of my book. Yes, it is a quick summary of the same thing. But I pinpoint what you need to pay attention to, because these will most likely be on the real exam. Step 3: Make sure you do the practice questions. Step 4: Check answer key and explanations. Each answer key also refers to the specific sections of your new PMBOK 6th Edition by page number. Step 5: Now repeat the steps 1-4 for every chapter. Ensure you have a big-picture view about the materials in each chapter. Also review the PM process map on P25 of your new PMBOK 6th Edition whenever you are done with a chapter. Step 6: When you finish all chapters, you would have a good view of all 10 knowledge areas. Now memorize the PM process map on P25 of your new PMBOKLet's review: the above steps should take you no more than 5 days even if you have only 2 hours each day. For some people it's possible to finish the materials during a weekend cram or study non-stop for a whole day (no more than 8 x 2 = 16 hours) Step 7: Now start mock exams. At the end of this book it provides Internet links to at least 5 online mock exams. Review the PM process map every time before you do the mock exam. How many exams you want to do is totally up to you. Always spend at least one hour to review each mock exam against new PMBOK 6th Edition. Step 8: Take a break (maybe one day or sleep one hour if you haven't done so for the past 24 hours) before the exam if necessary. Then you are ready!""***ADDITIONAL SUGGESTION: If you want to get some "hands-on" fun for PMBOK 6th Edition, you can purchase our unique sister book as a companion: "Project Management Jumpstart with Microsoft Project," also available from Amazon. Do a simple search on Amazon.com. Enjoy both books!***

A Guide to the Project Management Body of Knowledge (Pmbok(r) Guide-Sixth Edition / Agile Practice Guide Bundle (German)

To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK(R) Guide) - Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK(R) Guide - Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance(R), serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK(R) Guide - Sixth Edition - PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge--including discussion of project management business documents--and information on the PMI Talent Triangle(TM) and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK(R) Guide) - Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

Project Business Management *CRC Press*

Roughly half of all project managers have to lead customer projects as profit centers on contractor side with two big objectives: making the customer happy and bringing money home. Customer projects are a high-risk business on both sides, customers and contractors, but the dynamics of this business have so far been mostly ignored in literature. The book is intended to fill this gap. The book helps project managers better understand the dynamics of customer projects under contract from business development through handover and find solutions for common problems. A central aspect is international contract laws, an often underestimated factor in projects.
