Quantitative Assessment In Arms Control

This book originates in a series of contributions to the 1983 Systems Science Seminar at the Computer Science Department of the German Armed Forces University Munich. Under the topic "Quantitative Approaches to Arms Control" that seminar attempted to review the present state-of-the-art of systems analysis and numerical methods in arms control. To this end, the editors invited a number of experts from Europe, the United States and Canada to share and discuss their views and ...
