Gastronomy is the study of the
relationship between culture and food. It
is often thought erroneously that the
term gastronomy refers exclusively to
the art of cooking (see Culinary art), but
this is only a small part of this discipline;
it cannot always be said that a cook is

The arts - Infogalactic: the planetary knowledge core

The arts are a vast subdivision of culture, composed of many creative endeavors and disciplines. It is a broader

term than "art", which as a description of a field usually means only the visual arts. [1] The arts encompass visual arts, literary arts and the performing arts – music, theatre, dance and film, among others. [2] This list is by no means comprehensive, but only meant to introduce ...
