If You Call Yourself a Jew

Reappraising Paul's Letter to the Romans *Wipf and Stock Publishers*

If You Call Yourself a Jew reads Romans as a dialogue between Paul and a Gentile proselyte to Judaism. This fresh reading brings Romans into focus as Paul's exposition of the revelation of God's righteousness--his faithfulness to his covenant promises to Abraham, which climaxed in the announcement that "in you all the tribes of the earth will be blessed" (Gen 12:3). Paul insists that the righteousness of God is revealed, "for the Jew first as well as for the Greek," not through Torah but through the faith(fullness) of Jesus. Torah and the prophets provide corroborating witness for God's righteousness, but Gentiles who bend their necks to Torah's yoke miss the actual mechanism for finding

peace with God. Paul found in the story of Jesus the image of complete faith in/faithfulness to God; in Jesus' resurrection he found the image of God's complete faithfulness, "for the Jew first as well as for the Greek." Whereas Torah resulted in curse and death, it also anticipated the unconditional faithfulness of God for both Jew and Gentile. For Paul, the gospel of Jesus Christ is the account of the outworking of God's faithfulness: the end of Torah's curses and the fulfillment of its blessings.

Stop Sabotaging Your Life

3 Steps to Your Full Potential

Createspace Independent Pub

In *Stop Sabotaging Your Life: 3 Steps To Your Full Potential*, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads

to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether." What clients and readers are saying about life coach, mentor, and

motivational speaker Bruno LoGreco: "As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that."—Cristina "The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they

haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly

encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential.” —Adrian “If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth.” —Blaine

Put Some Shoes on

Transparency is vital to the building and strengthening of every relationship and every ministry. It allows people to see you as approachable and to feel safer when talking to you. Transparency is a gateway to trust, and trustworthiness is an important quality which people seek in a good, ministerial leader. They want to know: Is this person trustworthy? Is this person honest? How do I know I can talk to this person without fear of condemnation? It is with this in mind that Rohini Townsend approaches writing, friendships, ministry, and life itself. Her desire to see people healed and whole has led to a candor and openness that is sure to tug at the heartstrings of the despondent. Put Some Shoes On, is an emotional and gripping story of one little

girl's journey through heartache, rejection, abuse, and turmoil. Chronicling her path from scared child to broken, rebellious teen to powerful, anointed woman of God, the author shares the most intimate moments of her life with refreshing transparency and soul stirring honesty. It is not only a story of past hurts, it is a story of learning, growing and seeking a deeper relationship with God -- the steps and sacrifices that are required for that level of depth and connection to the Father. Raw, poignant, and insightful, *Put Some Shoes On* was written to heal. It was written with your salvation in mind. This is a story of overcoming and, while on that walk, discovering who you are, and more importantly, WHOSE you are. Every step you take was conceived in the mind of

the Father to guide you towards recognizing the spiritual gifts He has placed in you. Be not weary in well doing. Do not allow your circumstances to define you. Do not be consumed by trials and heartache. Take your experiences and let God use them to mold you into a powerful Kingdom citizen. Put some shoes on and walk boldly in your Godly identity.

So You Call Yourself a Man *Dafina Books*

Unapologetically, Me. *CreateSpace*

This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak, think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned

that it's okay to cry. It's okay to not know all the answers. It's okay to be you-- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.
