community to the streets in protest, and the groundbreaking civil rights trial that followed. America in 1982: Japanese car companies are on the rise and believed to be putting U.S. autoworkers out of their jobs. Anti-Asian American sentiment simmers, especially in Detroit. A bar fight turns fatal, leaving a Chinese American man, Vincent Chin, beaten to death at the hands of two white men, autoworker Ronald Ebens and his stepson, Michael Nitz. Paula Yoo has crafted a searing examination of the killing and the trial and verdicts that followed. When Ebens and Nitz pled guilty to manslaughter and received only a \$3,000 fine and three years' probation, the lenient

sentence sparked outrage. The protests that followed led to a federal civil rights trial—the first involving a crime against an Asian American—and galvanized what came to be known as the Asian American movement. Extensively researched from court transcripts, contemporary news accounts, and in-person interviews with key participants, *From a Whisper to a Rallying Cry* is a suspenseful, nuanced, and authoritative portrait of a pivotal moment in civil rights history, and a man who became a symbol against hatred and racism.

"Zade Holder has always been a free-spirited young woman, from a long dynasty of tarot-card readers, fortunetellers, and practitioners of magick. Growing up in a small town and never quite fitting in, Zade is determined to forge her own path. She leaves her home in Tennessee to break free from her overprotective mother Dela, the local resident spellcaster and fortuneteller. Zade travels to Las Vegas and uses supernatural powers to become part of a premiere magic show led by the infamous magician Charles Spellman. Zade fits right in with his troupe of artists and misfits. After all, when everyone is slightly eccentric,

appearing 'normal' is much less important. Behind the scenes of this multimillion-dollar production, Zade finds herself caught in a love triangle with Mac, the show's good-looking but rough-around-the-edges technical director and Jackson, the tall, dark, handsome and charming bandleader. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in the hands of a mortal who does not believe in a world of real

magick, a fortuneteller who knew one day Zade would put herself in danger and a dagger with mystical powers"--Amazon.com

Go Set a Watchman

A Novel *HarperCollins*

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, *To Kill a Mockingbird*. Originally written in the mid-1950s, *Go Set a Watchman* was the

novel Harper Lee first submitted to her publishers before *To Kill a Mockingbird*. Assumed to have been lost, the manuscript was discovered in late 2014. *Go Set a Watchman* features many of the characters from *To Kill a Mockingbird* some twenty years later. Returning home to Maycomb to visit her father, Jean Louise Finch—Scout—struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from *To Kill a Mockingbird* are adjusting to the turbulent events transforming mid-1950s America, *Go Set a Watchman* casts a fascinating new light

on Harper Lee's enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.
