The Chef and the Slow Cooker

A Cookbook *Clarkson Potter*

Hugh Acheson brings a chef's mind to the slow cooker, with 100 recipes showing you how an appliance generally relegated to convenience cooking can open up many culinary doors. Hugh celebrates America's old countertop stalwart with fresh, convenient slow cooker recipes with a chef's twist, dishes like brisket with soy, orange, ginger, and star anise, or pork shoulder braised in milk with fennel and raisins. But where it gets really

fun is when Hugh shows what a slow cooker can really do, things like poaching and holding eggs at the perfect temperature for your brunch party, or for making easy duck confit, or for the simplest stocks and richest overnight ramen broth. There's even a section of jams, preserves, and desserts, so your slow cooker can be your BFF in the kitchen morning, noon, and night.

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work *Ballantine Books*

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is

making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By* and *Get Your Financial Life Together*

Land of Strangers *John Wiley & Sons*

The impersonality of social relationships in the society of strangers is making majorities increasingly nostalgic for a time of closer personal ties and strong community moorings. The constitutive pluralism and hybridity of modern living in the West is being rejected in an age of heightened anxiety over the future and drummed up aversion towards the stranger. Minorities, migrants and dissidents are expected to stay away, or to conform

and integrate, as they come to be framed in an optic of the social as interpersonal or communitarian. Judging these developments as dangerous, this book offers a counter-argument by looking to relations that are not reducible to local or social ties in order to offer new suggestions for living in diversity and for forging a different politics of the stranger. The book explains the balance between positive and negative public feelings as the synthesis of habits of interaction in varied spaces of collective being, from the workplace and urban space, to intimate publics and tropes of imagined community. The book proposes a series of interventions that make for public being as both unconscious habit and cultivated craft of negotiating difference, radiating civilities of situated attachment and indifference towards the strangeness of others. It is in the labour of cultivating the commons in a variety of ways that Amin finds the elements for a new politics of diversity appropriate for our times, one that takes the stranger as there, unavoidable, an equal claimant on ground that is not pre-allocated.
