Health Promotion Term Paper

Health Promotion Term Paper. Health Promotion. The absence of illness does not thoroughly explain "Health", it can as well be described as wellness of the body and mind. More technically, health can be defined from two perspectives -- bodily and psychological health. A state of well-being due to regular exercises, adequate nutrition, sufficient rest, sensitivity to signs of sickness and when to seek help is referred to as Physical health.

Health Promotion Term Paper - 3496 Words

HEALTH PROMOTION Health promotion is the process of enabling people to increase control over their health and it’s determinants, and thereby improve their health. A planned combination of educational, political, regulatory and organizational supports for actions and conditions of living conducive to the health of individuals, groups or communities (Green and kreuter,1999.)
