**Issues in Mental
Health Nursing: Vol**

41, No 11

In this exclusive Mental Health supplement, British Journal of Nursing looks at key areas of this topic. These are just a few of the issues addressed in this 34 page supplement published by BJN: How nurses can support young people and their family with transitioning from Child and Adolescent Mental Health Services to Adult Mental Health Services

**Mental health -
British Journal of
Nursing Magazine**

The scarcity of qualified mental healthcare services is a reality nurse practitioners deal with every day. When we refer patients, they expect our help in navigating the healthcare system for

access to mental health services. Join the campaign this month (and every month) to raise awareness about mental health illnesses.

The importance of mental health : The Nurse Practitioner

One increasingly popular nursing specialty is psychiatric mental health nursing. While many mental health patients seek treatment from a psychologist, psychiatrist, or mental health counselor, nurses often play a vital role in the psychiatric care process.
