To Have and Have Not *Simon and Schuster*

From one of the best writers in American literature, a classic novel about smuggling, intrigue, and love. To Have and Have Not is the dramatic story of Harry Morgan, an honest man who is forced into running contraband between Cuba and Key West as a means of keeping his crumbling family financially afloat. His adventures lead him into the world of the wealthy and dissipated yachtsmen who throng the region and involve him in a strange and unlikely love affair. In this harshly realistic, yet oddly tender and wise novel, Hemingway perceptively delineates the personal struggles of both the "haves" and the "have nots" and creates one of the most subtle and moving portraits of a love affair in his oeuvre. By turns funny and tragic, lively and poetic, remarkable in its emotional impact, To Have and Have Not is literary high adventure at its finest.

The Haves and the Have-Nots

A Brief and Idiosyncratic History of Global Inequality *Basic Books*

Who is the richest person in the world, ever? Does where you were born affect how much money you’ll earn over a lifetime? How would we know? Why—beyond the idle curiosity—do these questions even matter? In The Haves and the Have-Nots, Branko Milanovic, one of the world’s leading experts on wealth, poverty, and the gap that separates them, explains these and other mysteries of how wealth is unevenly spread throughout our world, now and through time. Milanovic uses history, literature and stories straight out of today’s newspapers, to discuss one of the major divisions in our social lives: between the haves and the have-nots. He reveals just how rich Elizabeth Bennet’s suitor Mr. Darcy really was; how much Anna Karenina gained by falling in love; how wealthy ancient Romans compare to today’s super-rich; where in Kenyan income distribution was Obama’s grandfather; how we should think about Marxism in a modern world; and how location where one is born determines his wealth. He goes beyond mere entertainment to explain why inequality matters, how it damages our economics prospects, and how it can threaten the foundations of the social order that we take for granted. Bold, engaging, and illuminating, The Haves and the Have-Nots teaches us not only how to think about inequality, but why we should.

Movies Are Prayers

How Films Voice Our Deepest Longings *InterVarsity Press*

Movies do more than tell a good story. Filmspotting co-host Josh Larsen brings a critic's unique perspective to how movies can act as prayers—expressing lament, praise, joy, confession, and more. When words fail, the perfect film might be just what you need to jump-start your conversations with the Almighty.

Across the River and Into the Trees *Simon and Schuster*

In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for Across the River and into the Trees, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, Across the River and into the Trees stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in The New York Times Book Review to call him "the most important author since Shakespeare."

To Have and to Hold *Aegitas*

To Have and to Hold (1899) is a novel by American author Mary Johnston. It was the bestselling novel in the United States in the following year (1900). To Have and to Hold is the story of an English soldier, Ralph Percy, turned Virginian explorer ilPn colonial Jamestown. Ralph buys a wife for himself - a girl named Jocelyn Leigh - little knowing that she is the escaping ward of King James I, fleeing a forced marriage to Lord Carnal. Jocelyn hardly loves Ralph - indeed, she seems to abhor him. Carnal, Jocelyn's husband-to-be, eventually comes to Jamestown, unaware that Ralph Percy and Jocelyn Leigh are man and wife. Lord Carnal attempts to kidnap Jocelyn several times and eventually follows Ralph, Jocelyn, and their two companions - Jeremy Sparrow, the Separatist minister, and Diccon, Ralph's servant - as they escape from the King's orders to arrest Ralph and carry Jocelyn back to England. The boat they are in, however, crashes on a desert island, but they are accosted by pirates, who, after a short struggle, agree to take Ralph as their captain, after he pretends to be the pirate "Kirby". The pirates gleefully play on with Ralph's masquerade, until he refuses to allow them to rape and pillage those aboard Spanish ships. The play is up when the pirates see an English ship off the coast of Florida. Ralph refuses to fire upon it, knowing it carries the new Virginian governor, Sir Francis Wyatt, but the pirates open fire, and Jeremy Sparrow, before the English ship can be destroyed, purposefully crashes the ship into a reef. The pirates are all killed, but the Englishmen (and woman) are rescued by the Governor's ship.

Green Hills of Africa *Simon and Schuster*

There are some things which cannot be learned quickly, and time, which is all we have, must be paid heavily for their acquiring. They are the very simplest things, and because it takes a man's life to know them the little new that each man gets from life is very costly and the only heritage he has to leave. In the winter of 1933, Ernest Hemingway and his wife Pauline set out on a two-month safari in the big-game country of East Africa, camping out on the great Serengeti Plain at the foot of magnificent Mount Kilimanjaro. “I had quite a trip,” the author told his friend Philip Percival, with characteristic understatement. Green Hills of Africa is Hemingway's account of that expedition, of what it taught him about Africa and himself. Richly evocative of the region's natural beauty, tremendously alive to its character, culture, and customs, and pregnant with a hard-won wisdom gained from the extraordinary situations it describes, it is widely held to be one of the twentieth century's classic travelogues.

To Have and to Hoax

A Novel *Atria Books*

Named a Best Romance of April by Goodreads, Popsugar, Bustle, and more! “A laugh out loud Regency romp—if you loved the Bridgertons, you'll adore To Have and to Hoax!” —Lauren Willig, New York Times bestselling author In this fresh and hilarious historical rom-com, an estranged husband and wife in Regency England feign accidents and illness in an attempt to gain attention—and maybe just win each other back in the process. Five years ago, Lady Violet Grey and Lord James Audley met, fell in love, and got married. Four years ago, they had a fight to end all fights, and have barely spoken since. Their once-passionate love match has been reduced to one of cold, detached politeness. But when Violet receives a letter that James has been thrown from his horse and rendered unconscious at their country estate, she races to be by his side—only to discover him alive and well at a tavern, and completely unaware of her concern. She’s outraged. He’s confused. And the distance between them has never been more apparent. Wanting to teach her estranged husband a lesson, Violet decides to feign an illness of her own. James quickly sees

through it, but he decides to play along in an ever-escalating game of manipulation, featuring actors masquerading as doctors, threats of Swiss sanitariums, faux mistresses—and a lot of flirtation between a husband and wife who might not hate each other as much as they thought. Will the two be able to overcome four years of hurt or will they continue to deny the spark between them? With charm, wit, and heart in spades, To Have and to Hoax is a fresh and eminently entertaining romantic comedy—perfect for fans of Jasmine Guillory and Julia Quinn.

Winner Take Nothing *Simon and Schuster*

Ernest Hemingway's first new book of fiction since the publication of "A Farewell to Arms" in 1929 contains fourteen stories of varying length. Some of them have appeared in magazines but the majority have not been published before. The characters and backgrounds are widely varied. "A Clean, Well-Lighted Place" is about an old Spanish Beggar. "Homage to Switzerland" concerns various conversations at a Swiss railway-station restaurant. "The Gambler, the Nun, and the Radio" is laid in the accident ward of a hospital in Western United States, and so on. Ernest Hemingway made his literary start as a short-story writer. He has always excelled in that medium, and this volume reveals him at his best.

Hawks on Hawks *University Press of Kentucky*

A portrait of the renowned film director based on seven years of interviews: “I am very happy that this book exists.” —François Truffaut Howard Hawks is often credited as the most versatile of the great American directors, having worked with equal ease in screwball comedies, westerns, gangster movies, musicals, and adventure films. He directed an impressive number of Hollywood’s greatest stars—including Humphrey Bogart, Cary Grant, John Wayne, Lauren Bacall, Rosalind Russell, and Marilyn Monroe—and some of his most celebrated films include Scarface, Bringing Up Baby, The Big Sleep, Red River, Gentlemen Prefer Blondes, and Rio Bravo. Hawks on Hawks draws on interviews that author Joseph McBride conducted with the director over the course of seven years, giving rare insight into Hawks’s artistic philosophy, his relationships with the stars, and his position in an industry that was rapidly changing. In its new edition, this classic book is both an account of the film legend’s life and work and a guidebook on how to make movies. “There are going to be many biographies of Howard Hawks, but they will all lean heavily on this book; the pioneer so honestly reveals himself and the people with whom he worked.” —Los Angeles Times

Resource Managers: North American And Australian Hunter-Gatherers *Routledge*

As environmental management becomes of increasing concern to both industrial and developing societies, it is instructive to look at the fundamental relationship between man and environment as exemplified by the hunter-gatherer cultures, in which resource management was and is vital to the very existence of human life. The authors of this book look at hunting and gathering societies in Australia and North America, searching for the essential, as distinct from local, manifestations of human-environment relations. They examine the availability of resources in relation to the requirements of stable and expanding human populations, explore the ontological and structural principles of ecological relations in these societies, and describe the rationale of geographic boundaries and control of access to resources within and across boundaries. A number of current theoretical issues are addressed: the use of fire as a tool for environmental management; the ecological consequences of seasonal mobility patterns; the functional basis for differing forms of control over resources; the social organization of production, including the symbolism of the sexual division of labor; the tactical exercise of jural rights in the use of resources; and the ecological consequences of religious beliefs. The book concludes with a summary of the case materials in terms of what they contribute to the understanding of hunting/gathering as an "economic" category and to the conflict over management of natural resources where societies of hunter-gatherers are encapsulated within industrial societies.

How to Win Friends and Influence People *Prabhat Prakashan*

In the present book, How to Win Friends and Influence People, Dale Carnegie says, “You can make someone want to do what you want them to do by seeing the situation from the other person’s point of view and arousing in the other person an eager want.” You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, “let the other person feel that the idea is his or hers” and “talk about your own mistakes before criticizing the other person.” This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. Twelve Ways to Win People to Your Way of Thinking 1. The only way to get the best of an argument is to avoid it. 2. Show respect for the other person's opinions. Never say "You're wrong." 3. If you're wrong, admit it quickly and emphatically. 4. Begin in a friendly way. 5. Start with questions to which the other person will answer yes. 6. Let the other person do a great deal of the talking. 7. Let the other person feel the idea is his or hers. 8. Try honestly to see things from the other person's point of view. 9. Be sympathetic with the other person's ideas and desires. 10. Appeal to the nobler motives. 11. Dramatize your ideas. 12.Throw down a challenge.

To Have and Have Not

Southeast Asian Raw Materials and the Origins of the Pacific War *University of California Press*

Jonathan Marshall makes a provocative statement: it was not ideological or national security considerations that led the United States into war with Japan in 1941. Instead, he argues, it was a struggle for access to Southeast Asia's vast storehouse of commodities—rubber, oil, and tin—that drew the United States into the conflict. Boldly departing from conventional wisdom, Marshall reexamines the political landscape of the time and recreates the mounting tension and fear that gripped U.S. officials in the months before the war. Unusual in its extensive use of previously ignored documents and studies, this work records the dilemmas of the Roosevelt administration: it initially hoped to avoid conflict with Japan and, after many diplomatic overtures, it came to see war as inevitable. Marshall also explores the ways that international conflicts often stem from rivalries over land, food, energy, and industry. His insights into "resource war," the competition for essential commodities, will shed new light on U.S. involvement in other conflicts—notably in Vietnam and the Persian Gulf. This title is part of UC Press's Voices Revived program, which commemorates University of California Press’s mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1995.

There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Cycles of Udaipur *Createspace Independent Publishing Platform*

Rajasthan is a vivid land of colour and spice, Maharajahs and gods. But the vibrant city of Udaipur is not the peaceful Hindu refuge it once was, and as India races towards modernity its youth faces a cultural identity crisis. When young Raj hits a cow with his motorcycle, little does he know that he has started a chain reaction that will obliterate his close-knit group of friends. Mariam is a Muslim artist forbidden to paint Hindu deities. Her paramour Shiv aches to be a politician in a city ruled by gangland overlords. And lovelorn Vansh finds himself sucked into a mystical vortex from which his mind may not recover. Set against the sweeping grandeur of Rajasthani history, Cycles of Udaipur spins on the axle of tradition and progress: a tangled web of hope, faith and enduring passion that epitomises a new India heretofore unknown to the West.

The epitome of grace, independence, and wit, Lauren Bacall continues to project an audacious spirit and pursue on-screen excellence. The product of an extraordinary mother and a loving extended family, she produced, with Humphrey Bogart, some of the most electric and memorable scenes in movie history. After tragically losing Bogart, she returned to New York and a brilliant career in the theatre. A two-time Tony winner, she married and later divorced her second love, Jason Robards, and never lost sight of the strength that made her a star. Now, thirty years after the publication of her original National Book Award-winning memoir, Bacall has added new material to her inspiring history. In her own frank and beautiful words, one of our most enduring actresses reveals the remarkable true story of a lifetime so rich with incident and achievement that Hollywood itself would be unable to adequately reproduce it.

To Have and to Hold *Harlequin*

Wedlocked! A runaway wife Alix North had fallen in love with Rhys Stirling the first time she had met him. Now Alix's dream was about to come true—Rhys had asked her to marry him. He'd known Alix all his life—she was the perfect choice. Alix isn't going to accept anything less than his love. It's only after Alix leaves him that Rhys finds that he's fallen in love—with his own wife! "Ms. Wentworth's talented writing comes through..."—Romantic Times

Farewell to Arms

The Hemingway Library Edition *Simon and Schuster*

Written when Ernest Hemingway was thirty years old and lauded as the best American novel to emerge from World War I, A Farewell to Arms is the unforgettable story of an American ambulance driver on the Italian front and his passion for a beautiful English nurse. Set against the looming horrors of the battlefield—weary, demoralized men marching in the rain during the German attack on Caporetto; the profound struggle between loyalty and desertion—this gripping, semiautobiographical work captures the harsh realities of war and the pain of lovers caught in its inexorable sweep. Ernest Hemingway famously said that he rewrote the ending to A Farewell to Arms thirty-nine times to get the words right. This edition collects all of the alternative endings together for the first time, along with early drafts of other essential passages, offering new insight into Hemingway’s craft and creative process and the evolution of one of the greatest novels of the twentieth century. Featuring Hemingway’s own 1948 introduction to an illustrated reissue of the novel, a personal foreword by the author’s son Patrick Hemingway, and a new introduction by the author’s grandson Seán Hemingway, this edition of A Farewell to Arms is truly a celebration.

There Is Nothing for You Here

Finding Opportunity in the Twenty-First Century *Mariner Books*

A celebrated foreign policy expert and key impeachment witness reveals how declining opportunity has set America on the grim path of modern Russia--and draws on her personal journey out of poverty, and her unique perspectives as an historian and policy maker, to show how we can return hope to our forgotten places.

The Hemingway Stories

As featured in the film by Ken Burns and Lynn Novick on PBS *Simon and Schuster*

A new collection showcasing the best of Ernest Hemingway’s short stories including his well-known classics, as featured in the magnificent three-part, six-hour PBS documentary by Ken Burns and Lynn Novick—introduced by award-winning author Tobias Wolff. Ernest Hemingway, a literary icon and considered one of the greatest American writers of all time, is the subject of a major documentary by award-winning filmmakers Ken Burns and Lynn Novick. This intimate portrait of Hemingway—who brilliantly captured the complexities of the human condition in spare and profound prose, and whose work remains deeply influential in literature and culture—interweaves a close study of biographical events with excerpts from his work. The Hemingway Stories features Hemingway’s most significant short stories in chronological order, so viewers of the film as well as fans old and new can follow the trajectory of his impressive life and career. Hemingway’s beloved classics, such as “The Short and Happy Life of Francis Macomber,” “Up in Michigan,” “Indian Camp,” and “The Snows of Kilimanjaro,” are accompanied by fresh insights from renowned writers around the world—Mario Vargas Llosa, Edna O’Brien, Abraham Verghese, Tim O’Brien, and Mary Karr. Tobias Wolff’s introduction adds a new perspective to Hemingway’s work, and Wolff has selected additional stories that demonstrate Hemingway’s talent and range. The power of the Ernest Hemingway’s revolutionary style is perhaps most striking in his short stories, and here readers can encounter the tales that created the legend: stories of men and women in love and in war and on the hunt, stories of a lost generation born into a fractured time. This collection is a perfect introduction for a new generation of Hemingway readers and a vital volume for any fan.

The Digested Read *RDR Books*

Literary ombudsman John Crace never met an important book he didnt like to deconstruct.From Salman Rushdie to John Grisham, Crace retells the big books in just 500 bitinglly satirical words, pointing his pen at the clunky plots, stylistic tics and pretensions to Big Ideas, as he turns publishers golden dream books into dross. In the grand tradition of Tom Lehrer and Stan Freberg, Crace takes the books that produce the most media hype and retells each story in its authors inimitable style. Philip Roth, Don DeLillo, Margaret Drabble, Paul Auster, Alice Sebold, John Updike, Tom Wolfe, Ruth Rendell, A.S. Byatt, John LeCarre, Michael Crichton and Ian McEwan all emerge delightfully scathed in this book that makes it easy to talk knowingly about books youve never bothered to read or, for that matter, should have.

Ernest Hemingway

A Biography *Knopf*

A full biography of Ernest Hemingway draws on a wide range of previously untapped material and offers particular insight into the private demons that both inspired and tormented him.

Rules for Radicals

A Pragmatic Primer for Realistic Radicals *Vintage*

First published in 1971, Rules for Radicals is Saul Alinsky's impassioned counsel to young radicals on how to effect constructive social change and know “the difference between being a realistic radical and being a rhetorical one.” Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

Four Novels

Complete and Unabridged

This literary omnibus collects Hemingway's four best-known novels - The Sun Also Rises, A Farewell to Arms, For Whom the Bell Tolls, and the Pulitzer Prize-winning The Old Man and the Sea.

Hemingway on Fishing *Simon and Schuster*

From childhood on, Ernest Hemingway was a passionate fisherman. He fished the lakes and creeks near the family’s summer home at Walloon Lake, Michigan, and his first stories and pieces of journalism were often about his favorite sport. Here, collected for the first time in one volume, are all of his great writings about the many kinds of fishing he did—from angling for trout in the rivers of northern Michigan to fishing for marlin in the Gulf Stream. In A Moveable Feast, Hemingway speaks of sitting in a café in Paris and writing about what he knew best—and when it came time to stop, he “did not want to leave the river.” The story was the unforgettable classic “Big Two-Hearted River,” and from its first words we do not want to leave the river either. He also wrote articles for The Toronto Star on fishing in Canada and Europe and, later, articles for Esquire about his growing passion for big-game fishing. Two of his last books, The Old Man and the Sea and Islands in the Stream, celebrate his vast knowledge of the ocean and his affection for its great denizens. Hemingway on Fishing is an encompassing, diverse, and fascinating assemblage. From the early Nick Adams stories and the memorable chapters on fishing the Irati River in The Sun Also Rises to such late novels as Islands in the Stream, this collection traces the evolution of a great writer’s passion, the range of his interests, and the sure use he made of fishing, transforming it into the stuff of great literature. Anglers and lovers of great writing alike will welcome this important collection.
