Bmw 328i manual vs automatic | hdrqtav

Hi All, The wife and I are deciding on which 2012 328i to buy. We have settled on the sport model but the great debate for us lies in which transmission. We are both experienced manual drivers and enjoy the manual experience. Further, our current 328i is a manual and we both love to drive it. However, the 8 speed auto seems enticing and it is fun to drive (we test drove the auto).

8 speed auto or 6 speed manual - Bimmerforums.com

Give me an E30 325is and I want a 5-speed manual over the slush box 4-speed automatic. Any older M car should

be a manual - IMHO. Give me a new F10 535i (like I have currently) and I want the 8-speed automatic in sport mode - the manual 6-speed is more of a hassle in this case.
