Police Your Planet Lester Del

Although Lester del Rey was one of the
 leading editors in the history of science
 fiction, and a good SF author in his own
 right, this book falls more into the hard-
 boiled detective genre than science
 fiction, even if it is set on Mars.

A decent story, but rough around the edges. I expected much more from a name like Lester Del Rey. While the plot

keeps your attention, the dialog can be a bit unbelievable at times, and most of the characters are pretty thin. Other than that, it's better than most books on the site.
