House of Nutter

The Rebel Tailor of Savile Row *Crown Archetype*

The strange, illuminative true story of Tommy Nutter, the Savile Row tailor who changed the silhouette of men's fashion—and his rock photographer brother, David, who captured it all on film.

From an early age, there was something different about Tommy and David Nutter. Growing up in an austere apartment above a café catering to truck drivers, both boys seemed destined to lead rather humble lives in post-war London—Tommy as a civil servant, David as a darkroom technician. Yet the strength of their imagination (plus a little help from their friends) transformed them instead into unlikely protagonists of a swinging cultural revolution. In 1969, at the age of twenty-six, Tommy opened an unusual new boutique on the “golden mile” of bespoke tailoring, Savile Row. While shocking a haughty establishment resistant to change, “Nutters of Savile Row” became an immediate sensation among the young, rich, and beautiful, beguiling everyone from Bianca Jagger to the Beatles—who immortalized Tommy’s designs on the album cover of *Abbey Road*. Meanwhile, David’s innate talent with a camera vaulted him across the Atlantic to New York City, where he found himself in a parallel constellation of stars (Yoko Ono, Elton John) who enjoyed his dry wit almost as much as his photography. *House of Nutter* tells the stunning true story of two gay men who influenced some of the most iconic styles and pop images of the twentieth century. Drawing on interviews with more than seventy people—and taking advantage of unparalleled access to never-before-seen pictures, letters, sketches, and diaries—journalist Lance Richardson presents a dual portrait of brothers improvising their way through five decades of extraordinary events, their personal struggles playing out against vivid backdrops of the Blitz, an obscenity trial, the birth of disco, and the devastation of the AIDS crisis. A propulsive, deftly plotted narrative filled with surprising details and near-operatic twists, *House of Nutter* takes readers on a wild ride into

the minds and times of two brilliant dreamers.

The outrageously handsome cowboy is practically a living legend in Colorado, as famous for riding bulls as he is for breaking hearts. What would a big-time rodeo star like him see in a small-town veterinarian who wears glasses, rescues animals, and cries when watching rom-coms? Turns out, plenty. Raising bulls, riding the circuit, and looking after his ailing father--Lance never stands still for long. Yet *Jessa* catches his attention, and the more she tries to resist him, the more he wants her. When she agrees to move to the ranch to keep an eye on Lance's dad, *Jessa* tells him they have to keep it professional: no flirting, no sweet talk, and definitely no kissing. But with *Jessa* now living under his roof, that's easier said than done . . .

The Little Way of Ruthie Leming**A Southern Girl, a Small Town, and the Secret of a Good Life** *Grand Central Publishing*

THE LITTLE WAY OF RUTHIE LEMING follows Rod Dreher, a Philadelphia journalist, back to his hometown of St. Francisville, Louisiana (pop. 1,700) in the wake of his younger sister Ruthie's death. When she was diagnosed at age 40 with a virulent form of cancer in 2010, Dreher was moved by the way the community he had left behind rallied around his dying sister, a schoolteacher. He was also struck by the grace and courage with which his sister dealt with the disease that eventually took her life. In Louisiana for Ruthie's funeral in the fall of 2011, Dreher began to wonder whether the ordinary life Ruthie led in their country town was in fact a path of hidden grandeur, even spiritual greatness, concealed within the modest life of a mother and teacher. In order to explore this revelation, Dreher and his wife decided to leave Philadelphia, move home to help with family responsibilities and have their three children grow up amidst the rituals that had defined his family for five generations-Mardi Gras, L.S.U. football games, and deer hunting. As David Brooks poignantly described

Dreher's journey homeward in a recent New York Times column, Dreher and his wife Julie "decided to accept the limitations of small-town life in exchange for the privilege of being part of a community."

Like Dragons Did They Fight: A Look Into the Addiction Fighting Principles of the Sons of Helaman Program

warrior must experience day to day. We live in a time when many are in bondage before they are aware that there is a war. As with many examples in world history, one cannot get out of bondage with just will power and thought control. Warriors must be trained, and then trained some more, in the classroom and on the field. They must learn, that in order to escape the bondage they find themselves in, as did warriors thousands of years before: Like Dragons Did They Fight!

The Unspoken Rules

Secrets to Starting Your Career Off Right *Harvard Business Press*

A Wall Street Journal Bestseller "...this guide provides readers with much more than just early careers advice; it can help everyone from interns to CEOs." — a Financial Times top title You've landed a job. Now what? No one tells you how to navigate your first day in a new role. No one tells you how to take ownership, manage expectations, or handle workplace politics. No one tells you how to get promoted. The answers to these professional unknowns lie in the unspoken rules—the certain ways of doing things that managers expect but don't explain and that top performers do but don't realize. The problem is, these rules aren't taught in school. Instead, they get passed down over dinner or from mentor to mentee, making for an unlevel playing field, with the insiders getting ahead and the outsiders stumbling along through trial and error. Until now. In this practical guide, Gorick Ng, a first-generation college student and Harvard career adviser, demystifies the unspoken rules of work. Ng distills the

wisdom he has gathered from over five hundred interviews with professionals across industries and job types about the biggest mistakes people make at work. Loaded with frameworks, checklists, and talking points, the book provides concrete strategies you can apply immediately to your own situation and will help you navigate inevitable questions, such as: How do I manage my time in the face of conflicting priorities? How do I build relationships when I'm working remotely? How do I ask for help without looking incompetent or lazy? The Unspoken Rules is the only book you need to perform your best, stand out from your peers, and set yourself up for a fulfilling career.

Getting the message through: A Branch History of the U.S. Army Signal Corps *Government Printing Office*

Getting the Message Through, the companion volume to Rebecca Robbins Raines' Signal Corps, traces the evolution of the corps from the appointment of the first signal officer on the eve of the Civil War, through its stages of growth and change, to its service in Operation DESERT SHIELD/DESERT STORM. Raines highlights not only the increasingly specialized nature of warfare and the rise of sophisticated communications technology, but also such diverse missions as weather reporting and military aviation. Information dominance in the form of superior communications is considered to be sine qua non to modern warfare. As Raines ably shows, the Signal Corps--once considered by some Army officers to be of little or no military value--and the communications it provides have become integral to all aspects of military operations on modern digitized battlefields. The volume is an invaluable reference source for anyone interested in the

institutional history of the branch.

I Saw Heaven

A Remarkable Visit to the Spirit World *Horizon Pub & Dist Incorporated*

On September 19, 1972, when Larry Tooley's scaffold fell and he plunged to the concrete floor below, one of the most remarkable near-death experiences ever recorded began. I Saw Heaven! is the complete account of his accident and his extensive tour beyond the veil. As Larry's spirit left his body and journeyed upward, he passed through a foreboding fog and witnessed agonized souls in outer darkness. Then, drawn to a brilliant light and greeted by a being who emanated overwhelming love, he underwent a life review and experienced the stripping away of earthly impurities. He entered a receiving station through a

suspended arched doorway. His name was recorded, he was dressed in a white robe and was greeted by a deceased former acquaintance who was to be his guide on an extensive reacquaintance tour of the spirit world. They communicated through telepathic speech and flew by thought projection from place to place together. He was re-taught concerning the powers he enjoyed before birth: of projecting thoughts, levitation, unassisted flight, and that all matter exists at varying levels of vibrational frequencies. Larry was shown through a kingdom of beauty and order. He saw communities with buildings made from a marble-like material, surrounded by beautiful trees and landscaping. They visited a learning center where he was shown advanced ways of obtaining knowledge. They toured a genealogical research center where people were working to establish their relationships with their forefathers, and he was taught the importance of linking families together. a family reunion was held for him to acquaint himself with many of his relatives, and he found that he could learn all about them by embracing them. He met his sister, Wendy, who had died shortly after her birth, and found her adorned in a brilliant white robe which reflected her advanced level of progression. His guide led him to the outskirts of the heavenly city where God dwells, nestled at the base of a mountain. He saw from afar the immensity of the city with its beautiful domed spires. He felt the city's divinity and was told of the restrictions concerning who may enter it. Larry was also shown other worlds and traveled among them. He was able to re-experience his conversation with his pre-mortal sweetheart just before their birth into mortality. One of his most intriguing encounters was with the council which eventually

gave him permission to return to earth and resume his mortal life. *I Saw Heaven!* is the true account of one of the most informative near-death experiences ever recorded. All who want to learn more of the next stage of their existence will be fascinated by the many insights and details it contains. It's a must-read book!

When a Crocodile Eats the Sun

A Memoir of Africa *Back Bay Books*

After his father's heart attack in 1984, Peter Godwin began a series of pilgrimages back to Zimbabwe, the land of his birth, from Manhattan, where he now lives. On these frequent visits to check on his elderly parents, he bore witness to Zimbabwe's

dramatic spiral downwards into the jaws of violent chaos, presided over by an increasingly enraged dictator. And yet long after their comfortable lifestyle had been shattered and millions were fleeing, his parents refuse to leave, steadfast in their allegiance to the failed state that has been their adopted home for 50 years. Then Godwin discovered a shocking family secret that helped explain their loyalty. Africa was his father's sanctuary from another identity, another world. When a Crocodile Eats the Sun is a stirring memoir of the disintegration of a family set against the collapse of a country. But it is also a vivid portrait of the profound strength of the human spirit and the enduring power of love.

Over the past 75 years, a new canon has emerged. As life on Earth has become irrevocably altered by humans, visionary thinkers around the world have raised their voices to defend the planet, and affirm our place at the heart of its restoration. Their words have endured through the decades, becoming the classics of a movement. Together, these books show the richness of environmental thought, and point the way to a fairer, saner,

greener world.
