Of Mice and Men by John Steinbeck - review | Children's ...

In a way, "Of Mice and Men" is an extremely despondent novel. The novel shows the dreams of a small group of people and then contrasts these dreams with a reality that is unreachable, one they cannot achieve. Even though the dream never becomes reality, John Steinbeck does leave us with an optimistic message. George and Lennie do not achieve their dream, but their friendship stands out as a shining example of how people can live and love even in a word of alienation and disconnectedness.
