The Masque of the Red Death *Lindhardt og Ringhof*

E. A. Poe’s short story follows Prince Prospero and his friends’ futile attempt to outrun and outsmart a deadly plague, called the Red Death. The heart of the story is presented as a masquerade where the guests revel in mirth and intoxication, oblivious of the horrors that await them. The author’s narrative techniques revolve around symbolism (number seven, the clock, the black chamber) and provides an allegorical halo around the short story. Witnessing his wife’s suffering from tuberculosis and the ravages of cholera in Baltimore at the time, Poe imbues "The Mask" with an air of veracity, but the supernatural reigns supreme. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

"The Masque of the Red Death", originally published as "The Mask of the Red Death: A Fantasy", is an 1842 short story by American writer Edgar Allan Poe. The story follows Prince Prospero's attempts to avoid a dangerous plague, known as the Red Death, by hiding in his abbey. He, along with many other wealthy nobles, hosts a masquerade ball within seven rooms of the abbey, each decorated with a different color. In the midst of their revelry, a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms. Prospero dies after confronting this stranger, whose "costume" proves to contain nothing tangible inside it; the guests also die in turn. Poe's story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death, though some critics advise against an allegorical reading. Many different interpretations have been presented, as well as attempts to identify the true nature of the titular disease. The story was first published in May 1842 in *Graham's Magazine* and has since been adapted in many different forms, including a 1964 film starring Vincent Price.

Everything is in ruins. A devastating plague has decimated the population, and those who are left live in fear of catching it as the city crumbles around them. So what does Araby Worth have to live for? Nights in the Debauchery Club, beautiful dresses, glittery makeup . . . and tantalizing ways to forget it all. But in the depths of the club—in the depths of her own despair—Araby will find more than oblivion. She will find Will, the terribly handsome proprietor of the club, and Elliott, the wickedly smart aristocrat. Neither is what he seems. Both have secrets. Everyone does. And Araby may find not just something to live for, but something to fight for—no matter what it costs her.

Seminar paper from the year 2002 in the subject American Studies - Literature, grade: 1,3 (A), Friedrich-Alexander University Erlangen-Nuremberg (American Studies), course: Edgar Allan Poe, 21 entries in the bibliography, language: English, comment: small print, abstract: "The Masque of the Red Death" first appeared in May 1842 in Graham's Magazine. It is generally grouped together with three other of Poe's stories, namely "King Pest," which first appeared in the Southern Literary Messenger in September 1835, "The Cask of Amontillado," published in Godey's Magazine and Lady's Book 33 in 1846, and "Hop-Frog," published in The Flag of Our Union in 1849. Since all these stories take place during the carnival season, they are called "The Masquerades." In her book "The Life and Works of Edgar Allan Poe. A Psycho-Analytic Interpretation," Marie Bonaparte takes a Freudian approach to Poe's stories, Sigmund Freud himself wrote the preface, and claims that all the above tales are connected to Poe's father complex [Bonaparte; 507]. In her interpretation of "The Masque of the Red Death," the figure of the Red Death is an incorporation of the father who returns to punish the son. This is just one reading of the story. Much has been published about "The Masque of the Red Death," one of Poe's most read tales. Scholars have tried to find its roots, like Burton R. Pollin, who assumes that Poe used his own "Shadow - A Parable" as a source for "The Masque of the Red Death." Others attempted to compare the story of Prince Prospero and his followers to other great works of art, for example Christopher Brown, who saw parallels between "The Masque of the Red Death" and Henry James's The Portrait of a Lady. A lot of research has also been done on the narrator of the tale - I will only elaborate on the most plausible theories on who it is that is telling this tale. Equally important, "The Masque of the Red Death" is said to contain one of the most exact definitions of the gro

Seminar paper from the year 2021 in the subject American Studies - Literature, grade: 1,0, Humboldt-University of Berlin (Amerikanistik/Anglistik), course: Paradigms of American Literature: E.A. Poe, language: English, abstract: In this paper, I will examine the numerous symbols of transience Poe uses in "The Masque of the Red Death" and analyze what they represent and how they contribute or influence the plot of the story. Therefore, I will refer to the work of various literary and social scientists and critics such as Jeffrey Meyers and Sabrina Laurent, but also other scholars from different fields. In addition, I will depict that the events within the short story are intended to give an insight into the negative behavior of humans in order to serve as an example of what morally reprehensible behavior can result in. Nowadays it is common knowledge that Edgar Allan Poe is one of the most famous representatives when it comes to the involvement of personal experiences and the placement of hidden symbols in short stories and poems. The Masque of the Red Death is no exception and also represents one of Poe's most popular tales. It first appeared in Graham's Magazine in May 1842 and, due to the time it was written, was part of the so-called "Masquerades" along with three other of Poe's stories. The short story contains a decent amount of symbolism and has therefore often been interpreted differently by many literary scholars over the past years. It was investigated where the origins of the story may lie, which parallels can be drawn to the real world, what basically inspired the story and what morals can be derived from it. But many attempts have also been made to identify the true nature of the disease of the same name. Therefore, the variety of publications on this work is very broad and thus offers different answers and analysis approaches. Still, it is certain that the short story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death.

Wine, women, music, dancing, fools—Prospero's castle has it all. After the last guest enters, no one else can get in—the Prince has welded the doors shut. That means no one can get out, either...

The Oblong Box *Read Books Ltd*

After setting sail on from South Carolina aboard the ship "Independence", the unnamed narrator is informed that an old college friend—Cornelius Wyatt—is also aboard with his wife, two sisters, and a large, mysterious box. One night the narrator witnesses Wyatt's hideous wife leaving the room, and hears his old friend open the box and begin to weep. A powerful and chilling tale by the master of the short story form, "Independence" is highly recommended for fans of horror and mystery fiction. Edgar Allan Poe (1809-1849) was an American author, editor, poet, and critic. Most famous for his stories of mystery and horror, he was one of the first American short story writers, and is widely considered to be the inventor of the detective fiction genre. Many antiquarian books such as this are becoming increasingly rare and expensive. We are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new biography of the author.

Great Tales and Poems of Edgar Allan Poe *Vintage*

A new selection for the NEA's Big Read program. A compact selection of Poe's greatest stories and poems, chosen by the National Endowment for the Arts for their Big Read program. This selection of eleven stories and seven poems contains such famously chilling masterpieces of the storyteller's art as "The Tell-tale Heart," "The Fall of the House of Usher," "The Cask of Amontillado," and "The Pit and the Pendulum," and such unforgettable poems as "The Raven," "The Bells," and "Annabel Lee." Poe is widely credited with pioneering the detective story, represented here by "The Purloined Letter," "The Mystery of

Marie Roget,” and “The Murders in the Rue Morgue.” Also included is his essay “The Philosophy of Composition,” in which he lays out his theory of how good writers write, describing how he constructed “The Raven” as an example.

The Reason for the Darkness of the Night

Edgar Allan Poe and the Forging of American Science *Farrar, Straus and Giroux*

A finalist for the Los Angeles Times Book Prize An innovative biography of Edgar Allan Poe—highlighting his fascination and feuds with science. Decade after decade, Edgar Allan Poe remains one of the most popular American writers. He is beloved around the world for his pioneering detective fiction, tales of horror, and haunting, atmospheric verse. But what if there was another side to the man who wrote “The Raven” and “The Fall of the House of Usher”? In *The Reason for the Darkness of the Night*, John Tresch offers a bold new biography of a writer whose short, tortured life continues to fascinate. Shining a spotlight on an era when the lines separating entertainment, speculation, and scientific inquiry were blurred, Tresch reveals Poe’s obsession with science and lifelong ambition to advance and question human knowledge. Even as he composed dazzling works of fiction, he remained an avid and often combative commentator on new discoveries, publishing and hustling in literary scenes that also hosted the era’s most prominent scientists, semi-scientists, and pseudo-intellectual rogues. As one newspaper put it, “Mr. Poe is not merely a man of science—not merely a poet—not merely a man of letters. He is all combined; and perhaps he is something more.” Taking us through his early training in mathematics and engineering at West Point and the tumultuous years that followed, Tresch shows that Poe lived, thought, and suffered surrounded by science—and that many of his most renowned and imaginative works can best be understood in its company. He cast doubt on perceived certainties even as he hungered for knowledge, and at the end of his life delivered a mind-bending lecture on the origins of the universe that would win the admiration of twentieth-century physicists. Pursuing extraordinary conjectures and a unique aesthetic vision, he

remained a figure of explosive contradiction: he gleefully exposed the hoaxes of the era’s scientific fraudsters even as he perpetrated hoaxes himself. Tracing Poe’s hard and brilliant journey, *The Reason for the Darkness of the Night* is an essential new portrait of a writer whose life is synonymous with mystery and imagination—and an entertaining, erudite tour of the world of American science just as it was beginning to come into its own.

The Black Death of 1349 was the deadliest plague in human history. *All Fall Down* is a powerful and inspiring story of survival in the face of real-life horror.

The Masque of the Red Death *Indigo*

A sexy, post-Apocalyptic reimagining of Poe's gothic horror story of the same name. It's 1870 and a deadly virus has decimated the population of North America. Masked corpse-collectors roam the streets, removing the bodies before the contagion can spread. Though Araby tries to escape it all with drugs and parties, even at her most intoxicated she can't forget her brother's death - or her guilt for causing it. But things begin to change when William, the fascinating proprietor of The Debauchery Club where she searches for oblivion, and Elliott, nephew of the insane dictator, enter her life. One wants her heart, and the other her name. Convinced that he has won over his uncle's army, Elliott believes that having Araby on his arm will charm the populace into supporting a new government. After all, her father is the inventor of the mask which prevents the spread of the plague and saved civilisation - for those who can afford it... But Araby's greatest interest is that his plans will make protective masks available to all citizens and, in particular, to Will's young siblings, whom she has come to love despite herself. But nothing is what it seems. A new contagion called the Red Death is sweeping the city and a shocking revelation about the origin of the new virus puts Araby's life in danger. The mob wants her. The rebels want her. And both boys want her. In this superb two-book series, what and whom Araby chooses may just decide the fate of humanity...
