La Folie Et La Chose

Shoshana Felman's book *Writing and Madness* was first published in French as *La Folie et la chose littéraire*. The English translation leaves out some of the literary analyses of Nerval and Balzac that were in the original book, no doubt because they are too technical for English readers, but that is made up for by two additional interviews with Jacques-Alain

Miller and Philippe
Sollers and a new
preface by the author.
