Theme Park Design. Walt Disney is credited with developing the modern theme park; he was inspired by several smaller amusement parks, World's Fairs and Disney's own animated characters when he designed the world-famous Disneyland, which opened in Anaheim, California in 1955. Disney's revolutionary park ushered in an era of significant change, and many amusement parks were replaced with more modern theme parks like the well known Six Flags franchise and Universal Studios during the 1960's and ...

The concept design is the foundation of every successful entertainment project. The general entertainment idea and how this will be reflected in the park is created at this stage. The project's (signature) rides and attractions are selected and the park's identity (logo, mascot, name) is created and the theming direction and look and feel is brought to life.
