To Kill a Mockingbird (slipcased edition) Harper Collins

At the age of eight, Scout Finch is an entrenched free-thinker. She can accept her father's warning that it is a sin to kill a mockingbird, because mockingbirds harm no one and give great pleasure. The benefits said to be gained from going to school and keeping her temper elude her. The place of this enchanting, intensely moving story is Maycomb, Alabama. The time is the Depression, but Scout and her brother, Jem, are seldom depressed. They have appalling gifts for entertaining themselves—appalling, that is, to almost everyone except their wise lawyer father, Atticus. Atticus is a man of unfaltering good will and humor, and partly because of this, the children become involved in some disturbing adult mysteries: fascinating Boo Radley, who never leaves his house; the terrible temper of Mrs. Dubose down the street; the fine distinctions that make the Finch family "quality"; the forces that cause the people of Maycomb to show compassion in one crisis and unreasoning cruelty in another. Also because Atticus is what he is, and because he lives where he does, he and his children are plunged into a conflict that indelibly marks their lives—and gives Scout some basis for thinking she knows just about as much about the world as she needs to.

What they did was tell him: All right, we bought you all the toys. Now, go play with them and leave us alone! This is America! We have bought our children all the toys and then told them: Now, go away and leave us alone! When a child is made to feel he or she is of no consequence, is not loved, is not even wanted, that child has all the potential for becoming a monster, a curse rather than a blessing. Don't expect a child to understand what is adult responsibility. America has failed miserably, as a nation, to cherish its young, and as Atticus Finch warned: The bill is coming due! When any society condones, and even encourages violence, particularly violence against children, that society will pay the price. When a society teaches children that there are no moral absolutes, that perversion is acceptable and approved by society, that all manner of violence and perversion is approved and called "entertainment", children know such a society has no real concern for them, that such a society is really INDIFFERENT! to them.

Everyone thought Stoner's Boy was dead. Seckatary Hawkins and the other boys saw him take that terrible fall into the cliff cave abyss. But the masked marauder known as the Gray Ghost is back -- running the river and causing mischief... or is he?
