In RECESSIONAL he calls out, skewers, mocks, and, most importantly, dissects the virus of conformity which is now an existential threat to the West. A broad-ranging journey through history, the

Bible, and literature, RECESSIONAL examines how politics and cultural attitudes about rebellion have shifted in the United States in the last generation. By screaming down freedom of thought and expression, Mamet explains, we kill invention and democracy - the foundations of security and growth. A wickedly funny, wistful and wry appeal to the free-thinking citizen, RECESSIONAL is a vital warning that if we don't confront the cultural thuggery now, the commissars and their dupes will transform the Land of the Free into the dictatorship at which they aim.
