Vizio Troubleshooting No Signal Tv

If you have a cable box connected, stream something over WiFi or connect a laptop or mobile and cast something to the TV. If audio works when you change the feed, it is the feed and not the TV. If there is still no sound coming from your Vizio TV, it may be a fault or a settings issue. Check external audio. If you use a soundbar or surround sound, remove it and use the default speakers to test.

What To Do if There is No Sound Coming from your Vizio TV

If your TV says no signal even though it's set to the correct

source or input as the cable box, what you're facing is a network reception issue. You can first try to power off the TV, wait for a

few minutes and restart. If the problem continues, you'll need to examine the individual connections one by one for troubleshooting.
