Summer Flower Garden Border Ideas

- The Spruce

This impressive herbaceous plant is distinctive for its heads of large, open, glowing purple-blue flowers that appear in abundance atop dark stems through late summer, a most unusual colour at this time of year. The flowers of Phlox paniculata 'Blue Paradise' are also deliciously scented, an added bonus. Plants need a sunny place in a border, although they tolerate light shade through the hottest part of the day - in dry spells plants may need additional water.
