Oxford Handbook of Accident and Emergency Medicine

The second edition of this very popular handbook follows the layout of the first, with concise and up-to-date information on all aspects of emergency care. References have been added to websites (and articles) and the appearance of the flow charts and diagrams has been improved.

Oxford Handbook of Accident and Emergency Medicine

This article concentrates on policies that are responses to crimes that fall within the purview of the “criminal justice system”: police, prosecutors, defense counsel, courts, juries, jails, and prisons, as well as alternatives to incarceration, including probation and parole. Successes in policing New York City must be a large part of the story of public safety in New York State.

Public Safety Policy in New York State - Oxford Handbooks

This popular Handbook provides practical, accessible guidelines on a huge range of situations that present to the A & E department, and is the essential guide for junior doctors (including candidates for examinations in Accident and Emergency Medicine), specialist nurses, paramedics, and general practitioners.
