Development Of Adult Education In

The development of adult schools The first 'adult school' is said to have begun in Nottingham in 1798 to meet the needs of younger women in lace and hosiery factories. It was independent of any other organization and run by William Singleton (a Methodist) and Samuel Fox (a Quaker) (Rowntree and Binns 1903: 10-11; 26-28).

Adult schools and the making of adult education - infed.org:

ADULT EDUCATION ABROAD - European Countries - America - The Colonies - Australia - Conclusion. pp.155 - 177. In conclusion one might add that although there yet remains a great deal to be done in the educational world, yet education alone and unaided can never bring about the longed-for reforms which many enthusiasts would claim.

The quality of adult education instruction is a critical factor in improving student outcomes in reading, mathematics and other key skill areas. The Office of Vocational and Adult Education (OVAE) is investing in rigorous research on adult learning to help adult educators learn about, understand, and put into practice the findings from scientifically-based research.

Professional Development for Adult Educators

Adult education, distinct from child education, is a practice in which adults engage in systematic and sustained self-educating activities in order to gain new forms of knowledge, skills, attitudes, or values. It can mean any form of learning adults engage in beyond traditional schooling, encompassing basic literacy to personal fulfillment as a lifelong learner. In particular, adult education reflects a specific philosophy about learning and teaching based on the assumption that adults can and w

Adult education - Wikipedia

Considering that the development of adult education, in the context of lifelong education, is necessary as a means of achieving a more rational and more equitable distribution of

educational resources between young people and adults, and between different social groups, and of ensuring better understanding and more effective collaboration between the generations and greater political, social and economic equality between social groups and between the sexes,
