Stanton Eric - AbeBooks

PDF - The Dominant Wives & Other Stories. You can trace a thematic line between the work of comic-book artist Eric Stanton and his fellow American image-maker Russ Meyer. Both began producing their art in the aftermath of World War Two, both were obsessed with a similar parodic vision of the female. Tall, absurdly buxom, with long legs, a slim waist, long hair, and an expression of insane desire imprinted on her beautiful face, as with Meyer, Stanton's depiction of woman was beyond reality.
