The decision on when to begin Step 1 preparation ultimately depends on the factors listed below: 1. Students with less anxiety about testing generally achieve higher tests scores.

USMLE Step 1 Preparation Guide - Tulane University

When it comes to question formats, the primary difference between the USMLE Step 1 and the USMLE Step 2 - CK is that the latter exam also contains sequential item sets. That means that a single text — that is, either a Patient Vignette or an Abstract (both of which we will get to later) — must be used to answer either two or three consecutive questions, instead of just one.
