How To Buy Any Business

Examining the business's financial records should give you an accurate, or at least informative, picture of the business's gross revenues, costs, and profit. Look to buy a business based on the return on investment, not on the stated price. In other words, what you are really buying is the annual profit, and you're looking for missed sales opportunities, expenses that could be streamlined and other opportunities to operate the company more profitable than its current owner has been doing.

How to Buy a Small Business

Have a price for the business you want to buy in your head Think of it as a property deal. Similarly to when you're making an offer on a house, you wouldn't blindly accept the figure the vendor wants regardless, would you? It's the same when buying a business. Don't enter the bargaining process without a solid figure in your head.
