What Is College Writing? College courses demand many different kinds of writing that employ a variety of strategies for different audiences. You may be required to write long essays or short answers in response to examination questions. You may be asked to keep a journal, write a lab report, and document the process you use to perform research.

What is College Writing?

A student having difficulty with college writing usually just hasn't yet made the transition from high school writing to college writing. That shouldn't be surprising, for many beginning college students do not even know that there is a transition to be made. In high school, most students think of writing as the subject of English classes.
