Would you make a deal with a magical tiger? This uplifting story brings Korean folklore to life as a girl goes on a quest to unlock the power of stories and save her grandmother. Some stories refuse to stay bottled up... When Lily and her family move in with her sick grandmother, a magical tiger straight out of her halmoni's Korean folktales arrives, prompting Lily to unravel a secret family history. Long, long ago, Halmoni stole something from the tigers. Now they want it back. And when one of the tigers approaches Lily with a deal--return what her grandmother stole in exchange for Halmoni's health--Lily is tempted to agree. But deals with tigers are never what they seem! With the help of her sister and her new friend Ricky, Lily must find her voice...and the

courage to face a tiger. Tae Keller, the award-winning author of *The Science of Breakable Things*, shares a sparkling tale about the power of stories and the magic of family. Think *Walk Two Moons* meets *Where the Mountain Meets the Moon*! "If stories were written in the stars ... this wondrous tale would be one of the brightest." --Booklist, Starred Review

As the most exclusive club in school, the Warriors

give the best parties, go out with the hottest girls, and great grades are a given. When Arielle, one of the finest girls in his class, starts coming on to him once the pledge announcements are made, Jericho is determined to do anything to become a member... But as the initiation week becomes progressively harrowing, Jericho is forced to make choices he's not entirely comfortable with. And one member seems to have it in for the sole female pledge in the group...a pledge who will stop at nothing to show she can handle the pressure. But when is she being pushed too far, and when should Jericho and his friends step in and risk losing their places in the pledging process? As Jericho becomes increasingly uneasy, his cousin Joshua breezes through the

initiation, never thinking of the consequences, even when the fine line between fun and games, and life and death is crossed.

Tiger, Tiger

A Memoir *Farrar, Straus and Giroux*

A Washington Post Notable Nonfiction Book for 2011 A Globe and Mail Best Books of the Year 2011 Title Tiger, Tiger is a Publishers Weekly Best Nonfiction title for 2011 A Kirkus Reviews Best Nonfiction of 2011 title One summer day, Margaux Fragoso meets Peter Curran at the neighborhood swimming pool, and they begin to play. She is seven; he is fifty-one. When Peter invites her and her mother to his house, the little girl finds a child's paradise of exotic pets and an elaborate backyard garden. Her mother, beset by mental illness and overwhelmed by caring for Margaux, is grateful for the attention Peter lavishes on her, and he creates an imaginative universe for her, much as Lewis Carroll did for his real-life Alice. In time, he

insidiously takes on the role of Margaux's playmate, father, and lover. Charming and manipulative, Peter burrows into every aspect of Margaux's life and transforms her from a child fizzing with imagination and affection into a brainwashed young woman on the verge of suicide. But when she is twenty-two, it is Peter—ill, and wracked with guilt—who kills himself, at the age of sixty-six. Told with lyricism, depth, and mesmerizing clarity, *Tiger, Tiger* vividly illustrates the healing power of memory and disclosure. This extraordinary memoir is an unprecedented glimpse into the psyche of a young girl in free fall and conveys to readers—including parents and survivors of abuse—just how completely a pedophile enchants his victim and binds her to him.

The Second Life of Tiger Woods*Simon and Schuster*

Written by a New York Times bestselling author and reporter who “knows the world of professional golf...like few others” (The Wall Street Journal) comes “the most insightful and evenhanded book written yet about one of the signature athletes of the last twenty-five years” (Booklist, starred review) detailing Tiger Woods’s remarkable comeback and his journey back into winner’s circle. Tiger Woods’s long descent into a personal and professional hell reached bottom in the early hours of Memorial Day in 2017. Woods’s DUI arrest that night came on the heels of a desperate spinal surgery, just weeks after he told close friends he might never play tournament golf again. His

mug shot and alarming arrest video were painful to look at and, for Woods, a deep humiliation. The former paragon of discipline now found himself hopelessly lost and out of control, exposed for all the world to see. That episode could have marked the beginning of Tiger’s end. It proved to be the opposite. Instead of sinking beneath the public disgrace of drug abuse and the private despair of a battered and ailing body, Woods embarked on the long road to redeeming himself. In *The Second Life of Tiger Woods*, Michael Bamberger, who has covered Woods since the golfer was an amateur, draws upon his deep network of sources inside locker rooms, caddie yards, clubhouses, fitness trailers, and back offices to tell the true and inspiring story of the legend’s

return. Packed with new information and graced by insight, Bamberger's story reveals how this iconic athlete clawed his way back to the top. This is a "gripping" (Kirkus Reviews) and intimate portrait of a man who has spent his life in front of the camera but has done his best to make sure he was never really known. Here is Tiger, barefoot, in handcuffs, showing a police officer a witty and self-deprecating side of himself that the public never sees. Here is Tiger on the verge of tears with his children at the British Open. Here is Tiger trying to express his gratitude to his mother at a ceremony at the Rose Garden. In these pages, Tiger is funny, cold, generous, self-absorbed, inspiring—and real. The *Second Life of Tiger Woods* is not only the saga of an exceptional man but also

a celebration of second chances. Bamberger's bracingly honest book is about what Tiger Woods did, and about what any of us can do, when we face our demons head-on.

Lost in the Tunnel of Time *Simon and Schuster*

In this reissue of a classic chapter book series by award-winning author Sharon M. Draper, four boys who call themselves the Black Dinosaurs, find themselves involved in exciting mysteries around their town. In *Lost in the Tunnel of Time*, the boys discover their hometown was a stop on the Underground Railroad and are excited to explore the part of the tunnel that is right under their school. When a trapdoor slams behind them, locking

them in the tunnel, there's only one thing they can do—plunge deeper and deeper into the darkness. Where will the tunnel lead them? And will the old, crumbling walls hold until they find their way to the end?

The Years of Rice and Salt

A Novel *Spectra*

With the same unique vision that brought his now classic Mars trilogy to vivid life, bestselling author Kim Stanley Robinson boldly imagines an alternate history of the last seven hundred years. In his grandest work yet, the acclaimed storyteller constructs a world vastly different from the one we know. . . . “A thoughtful, magisterial alternate history from one of science fiction’s most

important writers.”—The New York Times Book Review It is the fourteenth century and one of the most apocalyptic events in human history is set to occur—the coming of the Black Death. History teaches us that a third of Europe’s population was destroyed. But what if the plague had killed 99 percent of the population instead? How would the world have changed? This is a look at the history that could have been—one that stretches across centuries, sees dynasties and nations rise and crumble, and spans horrible famine and magnificent innovation. Through the eyes of soldiers and kings, explorers and philosophers, slaves and scholars, Robinson navigates a world where Buddhism and Islam are the most influential and practiced religions, while

Christianity is merely a historical footnote. Probing the most profound questions as only he can, Robinson shines his extraordinary light on the place of religion, culture, power—and even love—in this bold New World. “Exceptional and engrossing.”—New York Post “Ambitious . . . ingenious.”—Newsday

A Tiger in the Kitchen

A Memoir of Food and Family *Hachette Books*

"Starting with charred fried rice and ending with flaky pineapple tarts, Cheryl Lu-Lien Tan takes us along on a personal journey that most can only fantasize about--an exploration of family history and culture through a mastery of home-

cooked dishes. Tan's delectable education through the landscape of Singaporean cuisine teaches us that food is the tie that binds." --Jennifer 8. Lee, author of *The Fortune Cookie Chronicles* After growing up in the most food-obsessed city in the world, Cheryl Lu-Lien Tan left home and family at eighteen for America--proof of the rebelliousness of daughters born in the Year of the Tiger. But as a thirtysomething fashion writer in New York, she felt the Singaporean dishes that defined her childhood beginning to call her back. Was it too late to learn the secrets of her grandmothers' and aunties' kitchens, as well as the tumultuous family history that had kept them hidden before In her quest to recreate the dishes of her native

Singapore by cooking with her family, Tan learned not only cherished recipes but long-buried stories of past generations. *A Tiger in the Kitchen*, which includes ten authentic recipes for Singaporean classics such as pineapple tarts and Teochew braised duck, is the charming, beautifully written story of a Chinese-Singaporean ex-pat who learns to infuse her New York lifestyle with the rich lessons of the Singaporean kitchen, ultimately reconnecting with her family and herself. Tigers in Red Weather *Bond Street Books*

Summer seemed to arrive at that moment, with its mysterious mixture of

salt, cold flesh and fuel. Nick and her cousin, Helena, have grown up sharing sultry summer heat, sunbleached boat docks, and midnight gin parties on Martha's Vineyard in a glorious old family estate known as Tiger House. In the days following the end of the Second World War, the world seems to offer itself up, and the two women are on the cusp of their 'real lives': Helena is off to Hollywood and a new marriage, while Nick is heading for a reunion with her own young husband, Hughes, about to return from the war. Soon the gilt begins to crack. Helena's husband is not the man he seemed to be, and Hughes has returned from the war distant, his inner light curtained over. On the brink of the 1960s, back at Tiger House, Nick and Helena--with their children, Daisy and

Ed--try to recapture that sense of possibility. But when Daisy and Ed discover the victim of a brutal murder, the intrusion of violence causes everything to unravel. The members of the family spin out of their prescribed orbits, secrets come to light, and nothing about their lives will ever be the same. Brilliantly told from five points of view, with a magical elegance and suspenseful dark longing, *Tigers in Red Weather* is an unforgettable debut novel from a writer of extraordinary insight and accomplishment.

Romiette and Julio *Simon and Schuster*

Do you feel the soul of another calling to you? Do you know in your heart that your destiny and his were meant to merge in the cosmos? We can help you find him. When Romiette Cappelle and her best friend, Destiny, decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine, they're not sure what they're getting into. But

Destiny, a self-proclaimed psychic, assures Romi that for \$44.99 plus shipping and handling, it's the only way they're ever going to find out who their soul mates really are. If nothing else, maybe Romi will get some insight into that recurring dream she's been having about fire and water. But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague, a boy she's just met in the "cosmos" of an Internet chat room. It turns out they go to the same high school, not to mention having almost the same names as Shakespeare's famous lovers! Sweet-scented dreams of Julio have almost overtaken Romi's nightmares... ..when suddenly they return, but this time in

real life. It seems the Devildogs, a local gang, violently oppose the relationship of Romiette and Julio. Soon they find themselves haunted by the purple-clad shadows of the gang, and the fire and water of Romiette's dream merge in ways more terrifying -- and ultimately more affirming -- than even Destiny could have foreseen.

A Novel *Farrar, Straus and Giroux (BYR)*

The story of of the orphan boy Moon, begun in Watt Key's award-winning *Alabama Moon*, continues with *Dirt Road Home* After his recapture, gutsy 14-year-old Hal Mitchell is sentenced to live at Hellenweiler, an institution that is more like a jail than the boys' home it's

supposed to be. Hal could walk out in just a few months if he keeps out of trouble. But in a place like Hellenweiler, the more he tries to avoid the gangs and their violence, the stronger Hal's fellow inmates try to make him fail. This title has Common Core connections. "Key does a fabulous job of keeping his readers involved in the story and vested in the characters. Even reluctant readers will most likely find this one hard to put down." -- VOYA

Battle Hymn of the Tiger Mother
A&C Black

A lot of people wonder how Chinese parents raise such stereotypically successful kids. They wonder what Chinese parents do to produce so many math whizzes and music prodigies, what

it's like inside the family, and whether they could do it too. Well, I can tell them, because I've done it... Amy Chua's daughters, Sophia and Louisa (Lulu) were polite, interesting and helpful, they were two years ahead of their classmates in maths and had exceptional musical abilities. But Sophia and Lulu were never allowed to attend a sleepover, be in a school play, choose their own extracurricular activities, get any grade less than an A, and not be the #1 student in every subject (except gym and drama). And they had to practice their instruments for hours every day, as well as in school breaks and on family holidays. The Chinese-parenting model certainly seemed to produce results. But what happens when you do not tolerate disobedience and are confronted by a

screaming child who would sooner freeze outside in the cold than be forced to play the piano? In *Battle Hymn of the Tiger Mother*, Amy Chua relates her experiences raising her children the 'Chinese way', and how dutiful, patient Sophia flourished under the regime and how tenacious, hot-tempered Lulu rebelled. It is a story about a mother, two daughters, and two dogs. It's also about Mozart and Mendelssohn, the piano and the violin, and how they made it to Carnegie Hall. It was supposed to be a story of how Chinese parents are better at raising kids than Western ones. But instead, it's about a bitter clash of cultures, a fleeting taste of glory, and how you can be humbled by a thirteen-year-old. Witty, entertaining and provocative, this is a unique and

important book that will transform your perspective of parenting forever.

Copper Sun *Simon and Schuster*

A Time Best YA Book of All Time (2021)
In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally

murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes

and dreams can really take her.

Life of Pi *Vintage Canada*

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

Tears of the Renegade *HQN Books*

Passion mingles with espionage in this reader favorite, first published in 1985. Susan has never known anyone like Cord Blackstone, the sexy black sheep of his

family. Cord has a score to settle with the Blackstones—the same genteel clan that sheltered Susan after her husband's death. Cord will stop at nothing to punish the Blackstones, but what if that means ruining the one woman who can't stop loving him?

Tears of a Tiger *Everbind*

A novel for secondary school English classes with great writing and important themes.

The Story of Little Black Sambo *Harper Collins*

The jolly and exciting tale of the little boy who lost his red coat and his blue trousers and his purple shoes but who was saved from the tigers to eat 169 pancakes for his supper, has been

universally loved by generations of children. First written in 1899, the story has become a childhood classic and the authorized American edition with the original drawings by the author has sold hundreds of thousands of copies. Little Black Sambo is a book that speaks the common language of all nations, and has added more to the joy of little children than perhaps any other story. They love to hear it again and again; to read it to themselves; to act it out in their play.

Why Cats are Assholes *Simon and Schuster*

Most people love cats. They're fluffy, playful, and can be a joy to have as a companion. However, they can also be huge assholes. So what can you do? How do you deal with a roommate who

always seems to be plotting to kill you? While we all love sharing adorable photos of kittens, these frisky felines are known more for marching to the beat of their own drum than abiding by the rules. From running around your home at two in the morning, knocking everything off your shelves, or taking up most of your bed, these furry critters can be immensely selfish and disrespectful to those who give them endless love and affection. *Why Cats Are Assholes* is up for such a challenge. From studying their history all the way back to ancient Egypt, comedian Liz Miele—the daughter of veterinarians—digests the cat psyche to try and understand why they do the things they do, and how we, as their loyal servants, can handle domestic bliss with them around. With the help of her

cat Pasta, Miele breaks down the common behaviors of cats in an attempt to try and better understand their plan of attack (if there is one), as well as what we can do to better prepare ourselves. Whether you have one, two, or twelve fur babies, *Why Cats Are Assholes* is the ultimate guide to better understanding your pet's behavior while taking back your home from these domesticated terrorists.

Secrets in the Shadows *Townsend Press*

The third novel in the Bluford Series.

Catch a Tiger by the Tail

Calvin Summers and Ethan Hobbs have been best friends since childhood, but somewhere along the line, their

friendship evolved into something more. With the Therian Youth Center bombing, Calvin realizes just how short life can be and no longer keeps his feelings for his best friend a secret. Unfortunately, change is difficult for Ethan; most days he does well to deal with his selective mutism and social anxiety. Calvin's confession adds a new struggle for Ethan, one he fears might cost him the friendship that's been his whole world for as long as he can remember. As partners and Defense Agents at the THIRDS, being on Destructive Delta is tough at the best of times, but between call-outs and life-threatening situations, Calvin and Ethan not only face traversing the challenges of their job, but also working toward a future as more than friends.

Owl and the Tiger Thieves *Simon and Schuster*

In this fourth Owl novel, Kristi Charish (*The Voodoo Killings*) melds sparkling fantasy with the grit of urban underbelly—with a detour through the world's most spectacular cities. This is perfect for fans of Kim Harrison, Jim Butcher, Jennifer Estep, Jenn Bennett, and fantasy lovers everywhere. Through no fault of her own, Alix has found herself essential to the fate of the world as we know it. She didn't mean for this to happen—she was quite happy being merely the notorious antiquities thief, and ex-archeologist, known as Owl. However, years ago, Owl reluctantly entered the secret world of the supernatural. Her goals: complete one job, escape one bounty on her head,

continue her thieving in peace. Fast forward to today. Now, she has become a key player in a brutal paranormal civil war that is rapidly getting out of hand. The leader of one of these factions—a lethal opponent called the Electric Samurai—grows more powerful by the second. To stop him, Owl sets out to find the long-lost, legendary group known as the Tiger Thieves. But will it be too little too late? One thing Owl misses about “normal” archaeology: there are few emergencies with thousand-year-old relics.

The Female American; or, The Adventures of Unca Eliza Winkfield
Broadview Press

When it first appeared in 1767, *The Female American* was called a "sort of

second Robinson Crusoe; full of wonders." Indeed, *The Female American* is an adventure novel about an English protagonist shipwrecked on a deserted isle, where survival requires both individual ingenuity and careful negotiations with visiting local Indians. But what most distinguishes Winkfield's novel is her protagonist, a woman who is of mixed race. Though the era's popular novels typically featured women in the confining contexts of the home and the bourgeois marriage market, Winkfield's novel portrays an autonomous and mobile heroine living alone in the wilds of the New World, independently interacting with both Native Americans and visiting Europeans. Moreover, *The Female American* is one of the earliest novelistic efforts to articulate an

American identity, and more specifically to investigate what that identity might promise for women. Along with discussion of authorship issues, the Broadview edition contains excerpts from English and American source texts. This is the only edition available.

Fire from the Rock *Penguin*

Sylvia is shocked and confused when she is asked to be one of the first black

students to attend Central High School, which is scheduled to be integrated in the fall of 1957, whether people like it or not. Before Sylvia makes her final decision, smoldering racial tension in the town ignites into flame. When the smoke clears, she sees clearly that nothing is going to stop the change from coming. It is up to her generation to make it happen, in as many different ways as there are colors in the world.
