As the daughter of the captain of the guard, she has grown up fascinated by security and weaponry. It has been her life's goal to become a soldier in the guard, and princess-sitting doesn't really fit into her plan—especially when that princess's aggravating boyfriend is always hanging around. But when Rapunzel and Cassandra stumble upon a secret lagoon said to hold the key to the kingdom's greatest power, it will be up to them to solve the mystery... before someone more sinister does. Follow this tale of adventure and intrigue, love and destiny, and, most important, friendship.

Alphonse Mucha *Skira Editore*

Alphonse Mucha was an extraordinarily prolific and versatile artist who made his mark in the diverse fields of design - including posters, jewellery, interior decoration, theatre, packaging and product designs - as well as in painting, book illustration, sculpture and photography. He is one of the best-known Czech artists to wide international audiences today and rose to international fame in fin-de- siècle Paris with his elegant designs for theatre posters for Sarah Bernhardt, the most famous French actress of the time, and decorative panels (*panneaux décoratifs*) featuring gracefully posed women. For those posters Mucha created a distinctive style - "le style Mucha" - characterised by harmonious compositions, sinuous forms, organic lines and a muted palette, which became synonymous with the newly emerging decorative style of the time - Art Nouveau. By the time of the Paris Exposition Universelle of 1900, Mucha had become a leading figure in this decorative art movement, who defined the look of the era. The catalogue explores the development of Mucha's career and overall achievements as a multifaceted and visionary artist. It is divided into six sections, highlighting Mucha's personality as Bohemian; picture maker for people; cosmopolitan; mystic; patriot and philosopher.
