Written And Interpersonal Communication Methods For Law ...

Communication is the act of sending information or ideas via speech, visuals, writing or any other such method. The Communication model has a sender who is sending the message

and the receiver who is receiving the message. In between, the speech or ideas need to be simple enough to be decoded and understood by the receiver.

Five Types of Communication - Types of Communications Skills

In any organization, the electronic mails, memos, reports, documents, letters, journals, job descriptions, employee manuals, etc. are some of the commonly used forms of written communication. Such communication is used when the information to be transmitted is lengthy and includes some complex terms that cannot be explained verbally.
