Christ In Evolution

Sister Ilia Delio brings to life the beauty of Christ in the Universe, a universe that is evolving as we are evolving toward Christ as our goal. It is a fundamental read in the genre of new theology that brings together Christianity and science so that we move into the 21st century looking forward to union with Christ who through the incarnation became one of us.

Christ in Evolution - Kindle edition by Delio, Ilia ...

Christ in Evolution is a lucid antidote to the current crop of "new atheism" books that argue there is no place in the universe for the notion that there may be a God, let alone a God of love. Ilia Delio offers not a "brief" against this notion, but a way of seeing the universe and our place in it with a vision that is more compelling because it is at once faithful to science and infused with spiritual insights that are "ancient and ever new."

Christ in Evolution — Center for Action and Contemplation

Can a Christian Believe In Evolution and Be Saved? A person that believes in Christ and believes in evolution can still be saved. This is good news to many Christians who do believe in evolution and in God. A person is saved by their faith in Christ and that believer can not lose their salvation or not be saved despite their belief in evolution. Even though a Christian has imperfect understanding about the universe and the origin of life, I see no reason why they can not still be saved ...

How Do Christians Explain Evolution?

According to a second version, represented by the organization BioLogos, theistic evolution is defined as the view that “God creates all living things through Christ, including human beings in his image, making use of intentionally designed, actively sustained natural processes that scientists today study as evolution” (“ A Flawed Mirror ”).
