Who's Afraid of Virginia Woolf? *Random House*

When middle-aged Martha and her husband George are joined by the younger Nick and Honey for late-night drinks after a party, the stage is set for a night of drunken recriminations and revelations. Battle-lines are drawn as Martha and George drag their guests into their own private hell of a marriage.

Edward Albee's Who's Afraid of Virginia Woolf? *Routledge*

Edward Albee's Who's Afraid of Virginia Woolf? shocked audiences and critics alike with its assault on decorum. At base though, the play is simply a love story: an examination of a long-wedded life, filled with the hopes, dreams, disappointments, and pain that accompany the passing of many years together. While the ethos of the play is tragicomic, it is the anachronistic, melodramatic secret object—the nonexistent "son"—that upends the audience's sense of theatrical normalcy. The mean and vulgar bile spewed among the characters hides these elements, making it feel like something entirely "new." As Michael Y. Bennett reveals, the play is the same emperor, just wearing new clothes. In short, it is straight out of the grand tradition of living room drama: Ibsen, Chekhov, Glaspell, Hellmann, O'Neill, Wilder, Miller, Williams, and Albee.

Describes the background of Who's Afraid of Virginia Woolf? and discusses its themes and its critical reception

The Hollywood Renaissance

Revisiting American Cinema's Most Celebrated Era Bloomsbury Publishing USA

In December 1967, Time magazine put Bonnie and Clyde on its cover and proudly declared that Hollywood cinema was undergoing a 'renaissance'. For the next few years, a wide range of formally and thematically challenging films were produced at the very centre of the American film industry, often (but by no means always) combining success at the box office with huge critical acclaim, both then and later. This collection brings together acknowledged experts on American cinema to examine thirteen key films from the years 1966 to 1974, starting with Who's Afraid of Virginia Woolf?, a major studio release which was in effect exempted from Hollywood's Production Code and thus helped to liberate American filmmaking from (self-)censorship. Long-standing taboos to do with sex, violence, race relations, drugs, politics, religion and much else could now be broken, often in conjunction with extensive stylistic experimentation. Whereas most previous scholarship has examined these developments through the prism of auteurism, with its tight focus on film directors and their oeuvres, the contributors to this collection also carefully examine production histories and processes. In doing so they pay particular attention to the economic underpinnings and collaborative nature of filmmaking, the influence of European art cinema as well as of exploitation, experimental and underground films, and the connections between cinema and other media (notably publishing, music and theatre). Several chapters show how the innovations of the Hollywood Renaissance relate to further changes in American cinema from the mid-1970s onwards.

Stretching My Mind

The Collected Essays of Edward Albee Da Capo Press

America's most important living playwright, Edward Albee, has been rocking our country's moral, political and artistic complacency for more than 50 years. Beginning with his debut play, The Zoo Story (1958), and on to his barrier breaking works of the 1960s, most notably The American Dream (1960), Who's Afraid of Virginia Woolf? (1963), and the Pulitzer Prize-winning A Delicate Balance (1966), Albee's provocative, unsparing indictment of the American way of life earned him early distinction as the dramatist of his generation. His acclaim was enhanced even further in the decades that followed with prize-winning dramas such as Seascape and Three Tall Women, as well as recent works like The Play About the Baby and Who is Sylvia? Albee has brought the same critical force to his non-theatrical prose. Stretching My Mind collects for the first time ever the author's writings on theater, literature, and the political and cultural battlegrounds that have defined his career. Many of the selections were drawn from Albee's private papers, and almost all previously published material—dating from 1960 to the present—has never been reprinted. Topics include Samuel Beckett, Eugene Ionesco, Sam Shepherd, as well as autobiographical writings about Albee's life, work, and worldview.

Truth, Illusion and the American Dream in Edward Albee's Who's Afraid of Virginia Woolf GRIN Verlag

Seminar paper from the year 2009 in the subject American Studies - Literature, grade: 1,7, University of Kassel, course: 20th Century British and American Drama, language: English, abstract: Edward Albee's "Who's Afraid of Virginia Woolf" has become one of the major works in American dramatic history (Roundane 42) and a huge career boost for Albee himself. This is not surprising as this masterpiece is considered to be revolutionary and ambitious as well as scandalous and highly controversial at the same time. The play, which has been discussed so passionately, "gives us four almost unrelievably nasty people who for something like three-and-a-half hours [...] take part in a drunken orgy of backbiting, bitchery, humiliation, verbal castration, exposure and physical mauling" (Hilfer 121). Not only wanting to entertain the audience but also including social criticism, Albee makes use of essential themes which help to make people understand their situation and to make them realize the necessity to act in order to modify society. In the course of this paper, I am going to attempt to illustrate the importance of the American Dream and to establish a connection to the topic of truth and illusion which can be understood as the basis of Albee's concept. To start with, I will exemplify different aspects of the American Dream and point out selected features of the characters that can be linked to the American Dream. In order to appreciate most of the professional

criticism, it is of the utmost importance to look at the issue of truth and illusion that is predominant in many parts of the play. Examining the subject matter of illusion, I will concentrate on the imaginary son as well as the relationship between the guests Nick and Honey. In a last step, I am going to explain the issue of truth in the play by examining the killing of the imaginary son and the confession of Nick and his wife. Examining selected scenes, I will try to clarify the aspects Albee criticizes and explain the

Who's Afraid of Virginia Woolf?

Notes Longman Group

George, a disillusioned academic, and Martha, his caustic wife, have just come home from a faculty party. When a handsome young professor and his mousy wife stop by for a nightcap, an innocent night of fun and games quickly turns dark and dangerous. Long-buried resentment and rage are unleashed as George and Martha turn their rapier-sharp wits against each other, using their guests as pawns in their verbal sparring. By night's end, the secrets of both couples are uncovered and the lies they cling to are exposed. Considered by many to be Albee's masterpiece, "Who's Afraid of Virginia Woolf?" is a "brilliantly original work of art -- an excoriating theatrical experience, surging with shocks of recognition and dramatic fire" ("Newsweek").

Edward Albee: A Singular Journey

A Biography *Simon and Schuster*

In 1960, Edward Albee electrified the theater world with the American premiere of The Zoo Story, and followed it two years later with his extraordinary first Broadway play, Who's Afraid of Virginia Woolf? Proclaimed as the playwright of his generation, he went on to win three Pulitzer Prizes for his searing and innovative plays. Mel Gussow, author, critic, and cultural writer for The New York Times, has known Albee and followed his career since its inception, and in this fascinating biography he creates a compelling firsthand portrait of a complex genius. The book describes Albee's life as the adopted child of rich, unloving parents and covers the highs and lows of his career. A core myth of Albee's life, perpetuated by the playwright, is that The Zoo Story was his first play, written as a thirtieth birthday present to himself. As Gussow relates, Albee has been writing since adolescence, and through close analysis the author traces the genesis of Who's Afraid of Virginia Woolf?, Tiny Alice, A Delicate Balance, and other plays. After his early triumphs, Albee endured years of critical neglect and public disfavor. Overcoming artistic and personal difficulties, he returned in 1994 with Three Tall Women. In this prizewinning play he came to terms with the towering figure of his mother, the woman who dominated so much of his early life. With frankness and critical acumen, and drawing on extensive conversations with the playwright, Gussow offers fresh insights into Albee's life. At the same time he provides vivid portraits of Albee's relationships with the people who have been closest to him, including William Flanagan (his first mentor), Thornton Wilder, Richard Barr, John Steinbeck, Alan Schneider, John Gielgud, and his leading ladies, Uta Hagen, Colleen Dewhurst, Irene Worth, Myra Carter, Elaine Stritch, Marian Seldes, and Maggie Smith. And then there are, most famously, Elizabeth Taylor and Richard Burton, who starred in Mike Nichols's acclaimed film version of Who's Afraid of Virginia Woolf? The book places Albee in context as a playwright who inspired writers as diverse as John Guare and Sam Shepard, and as a teacher and champion of human rights. Edward Albee: A Singular Journey is rich with colorful details about this uniquely American life. It also contains previously unpublished photographs and letters from and to Albee. It is the essential book about one of the major artists of the American theater.

Putting It Together

How Stephen Sondheim and I Created "Sunday in the Park with George" *Farrar, Straus and Giroux*

A behind-the-scenes look at the making of the iconic musical Sunday in the Park with George Putting It Together chronicles the two-year odyssey of creating the iconic Broadway musical Sunday in the Park with George. In 1982, James Lapine, at the beginning of his career as a playwright and director, met Stephen Sondheim, nineteen years his senior and already a legendary Broadway composer and lyricist. Shortly thereafter, the two decided to write a musical inspired by Georges Seurat’s nineteenth-century painting A Sunday Afternoon on the Island of La Grande Jatte. Through conversations between Lapine and Sondheim, as well as most of the production team, and with a treasure trove of personal photographs, sketches, script notes, and sheet music, the two Broadway icons lift the curtain on their beloved musical. Putting It Together is a deeply personal remembrance of their collaboration and friend - ship and the highs and lows of that journey, one that resulted in the beloved Pulitzer Prize-winning classic.

Mike Nichols

Sex, Language, and the Reinvention of Psychological Realism *Oxford University Press*

With iconic movies like Who's Afraid of Virginia Woolf?, The Graduate, and Carnal Knowledge, Mike Nichols was the most prominent American director during the cultural upheavals of the 1960s. Mike Nichols: Sex, Language, and the Reinvention of Psychological Realism argues that he overhauled the style of psychological realism, and, in doing so, continues to shape the legacies of Hollywood cinema. It also reveals that misreadings of his films were central to foundational debates at the emergence of Cinema Studies as a discipline, inviting new reflections on critical dogma. Focusing on Nichols' classic movies, as well as later films such as Silkwood, The Birdcage, and Angels in America, Kyle Stevens demonstrates that Nichols' realism lies not in the plausibility of his characters but in their inherent mystery. By attending to the puzzling words and silences, breaths and laughter, that comprise

these characters, Stevens uncovers new insights into the subversive potential of a range of cinematic elements, and reveals how Nichols' satirical oeuvre, and Hollywood itself, participated in several of the nation's most urgent social, political, and philosophical advances.

Three Tall Women *Penguin*

WINNER OF THE PULITZER PRIZE FOR DRAMA Recently revived on Broadway in a production directed by Joe Mantello, starring two-time Oscar winner Glenda Jackson and Tony winner Laurie Metcalf Earning a Pulitzer and Best Play awards from the Evening Standard, Critics Circle, and Outer Critics Circle, among others, when it premiered, Edward Albee has, in Three Tall Women, created a masterwork of modern theater. As an imperious, acerbic old woman lies dying, she is tended by two other women and visited by a young man. Albee's frank dialogue about everything from incontinence to infidelity portrays aging without sentimentality. His scenes are charged with wit, pain, and laughter, and his observations tell us about forgiveness, reconciliation, and our own fates. But it is his probing portrait of the three women that reveals Albee's genius. Separate characters on stage in the first act, yet actually the same "everywoman" at different ages in the second act, these "tall women" lay bare the truths of our lives—how we live, how we love, what we settle for, and how we die. Edward Albee has given theatergoers, critics, and students of drama reason to rejoice.
