The History of the Family as an Interdisciplinary Field As a new field, the history of the family is broadly interpreted, its boundaries undefined.

"Family" is loosely used in reference to the historical study of childhood and youth, certain aspects of the history of education, and the history of women and feminist movements.

#### The History of the Family as an Interdisciplinary Field

While interest in family reconstitution remains strong (Bouchard 1996; Wrigley, Davies, Oeppen, and Schofield 1997), interdisciplinary approaches derived from cultural anthropology have made memory, family "stories," and ritual important keys to family history (Sutherland 1997; Gillis 1997).
