Sweet Venom is a rather neat spin on the tale of Medusa and her sisters, and when it comes to adding to a myth this one certainly did it in a way I didn't quite expect. I really appreciate when mythology is given a cool little twist and especially when the author takes the time to add some depth to the story, which is what Childs does here.

The stunning conclusion of Tera Lynn Childs's Greek mythology-based Sweet Venom trilogy is perfect for teen fans of Rick Riordan's Percy Jackson series. The girls cannot hesitate as they seek the location of the lost door between the realms, even as monsters and the gods of Olympus descend on San Francisco in battle-ready droves.
