Book Review: 'Vibrational Money Immersion' by Ray Higdon

Money, as the paper that the Federal Reserve Bank prints and loans to the American government, has a vibrational frequency of under 150 on the Map of Consciousness. It’s a lame vibration. If the statement: like attracts like worked verbatim, the weak, the lame, the lazy, the sullen would attract that money, like fly paper attracts flies.

Vibrational Money Immersion by Ray Higdon TEL 209

So it seems worthwhile to explore the “vibration” of money—because, like everything else, money is simply energy (or vibration). The best energies are ones that flow without resistance. The energetic space you hold for thinking about, talking about, and pursuing money should ideally, then, be a flow state.
