Gue Cave Diving Manual

Written as the manual for GUE's Cave 1 course, this work is one in a series of GUE manuals that seek to establish a baseline for fundamental and advanced diving practices. The overriding assumption tying all these together is that there is a baseline of fundamental skills and procedures that promote safe, efficient, and ultimately fun diving.

Beyond the Daylight Zone: The Fundamentals of Cave Diving ...

We are a leader in scuba education, having developed numerous industry-first training protocols and utilizing an elite cast of diving educators. GUE provides training for non-divers, recreational divers, cave and technical divers, and instructors from other agencies, all in an effort to elevate the quality of training within the dive industry.

Gue Cave Diving Manual - h2opalermo.it

So, in rough summary: I'm glad I did it; I will follow up with more training from GUE both as a training agency and potentially as a community-of-practice, it was great value for money in my opinion but more importantly the outcome for me is more structure to my current and future diving and I believe a better skill set on which to build.

My descent into and out of madness: GUE Fundamentals, or ...

In 1998, Jablonski founded Global Underwater Explorers (GUE), a scuba diving organization that provides education within recreational, technical and cave diving. It is a not-for-profit, membership organization, based in High Springs, Florida , United States .

Jarrold Jablonski - Wikipedia

The buddy check is a procedure carried out by scuba divers using the buddy system where each diver checks that the other's diving equipment is configured and functioning correctly just before the start of the dive. A study of pre-dive equipment checks done by individual divers showed that divers often fail to recognize common equipment faults. By checking each other's equipment as well as ...
