Unlike the Chinatowns of Anglo America and Europe, pure-blood ethnic Chinese were relatively few in number but now increasing rapidly due to generally lower levels of Chinese immigration to some parts of Latin America. Residents of Latin

American Chinatowns tend to be multilingual. Latin America's Chinatowns include those of Mexico City, Havana, Buenos Aires, and Lima. Some of these Chinatowns mainly serve as tourist attractions and not as true, living ethnic communities.

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard

Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

Description: Alternative Orientalisms in Latin America and ...

China has been seen as an alternative to the United States and Europe by Latin American nations for support in the international community, for funding of infrastructure and humanitarian aid, and for creating economic growth. The number of high-level meetings between Chinese and Latin American officials have rapidly increased.
