The Amp says it's a Bose Amp 6000 CAN TT (309388 9001) There are two connectors on the amp, the big one has two sections to it; Pin 1 to Pin 22, then Pin 23 to Pin 32. Pins 1 and 2 are double size, so i'd say that's the power and ground. A separate connector has 18 Pins, unmarked. Only about half a dozen wires coming out of this one tho. Thanks.
